BRITISH LABOR OPPOSES HASTY SOVIET BREAK

Party Demands Full Investigation of Incidents by Committee and Report to House of Commons Before Severance of Relations by Government of Great Britain With Moscow Government; Baldwin and His Colleagues Consider Terms of Note to Be Sent to Soviet

London, May 25.—The Parliamentary Labor Party of Great Britain to-day considered the Government's decision regarding Russia and decided to submit a motion in the House of Commons to the effect that no such action as outlined by Premier Baldwin regarding a break with the Soviet should be taken until a committee has inquired into the whole matter and reported to the House of Commons.

The motion will be submitted by Right Hon. J. R. Clynes. As to the form Labor's objection to the Government's action will take, it is pointed out that presentation of a vote of censure might be held to put the party in the position of openly defending Soviet methods, while the course adopted puts it in the attitude of advising a judicial course.

London, May 25.—A note containing the British Government's final word to Soviet Russia was being drafted by the Cabinet to-day. It will be handed to the Soviet representative at Chesham House, the former Imperial Russian Embassy, as soon as possible after the House of Commons approves the Government's decision to sever both diplomatic and formal trade relations with Moscow.

The note, which will simultaneously be dispatched to Moscow, will give the Government's full terms regarding the Russian emissaries in Great Britain. It is understood they will be allowed a period of grace, amounting to a week or ten days, in which to pack their baggage. It is expected the note will be sent immediately after to-morrow night's debate in the House of Commons on Friday morning.

COMMITTEE MEETS
The foreign affairs committee of the Ministry, which recommended the break with the Soviet, also met to-day, as well as numerous Foreign Office experts who at intervals were in conference with Sir Austen Chamberlain, Foreign Secretary.

Another Cabinet task was the selection of a large number of documents relating to Soviet activities in this and other countries. These will be published in the form of a white paper.

COMMONS TO VOTE
London, May 25.—Fully convinced Soviet agents have been engaged in subversive activities in London in violation of the Anglo-Russian trade agreement, the British Government was on the threshold to-day of severance of relations with Soviet Russia. The Cabinet had already decided on the step, as was announced in the House of Commons yesterday, and parliamentary approval will be sought to-morrow.

DECLARATION BY BALDWIN
It was the Prime Minister, Right Hon. Stanley Baldwin, who took the rostrum and outlined to the Commons the basis of the Cabinet's decision. A crowded House listened attentively as he declared documents missing from the British War Office had been furnished and sent to Moscow, and that men employed by the Soviet Trade Delegation were also secret agents engaged in communicating information and instructions from the Red International and the Red trade unions to Communist organizations in Great Britain. He cited letters and documents in support of the Government's contention that Soviet House in London, headquarters of Arcos Limited, the official Soviet business company, and the Russian Trade Delegation had been continually used to disseminate subversive matter dealing with the "hands-off" China movement and Communist propaganda in the United States.

(Concluded on page 2)

SOVIET AGENTS IN U.S. ARE WATCHED

Information Found During Raid in London Interests Washington

Washington, May 25.—Information obtained by the British Government in its raid on the Russian Soviet headquarters in London and found to be of interest to officials here is understood to be in the possession of the Washington Government.

The State Department to-day declined to comment on its nature, but it was understood it concerned activities in this country of secret agents of Soviet Russia. The number and identity of the agents disclosed was not revealed, but it was believed the department had found no cause for alarm in the material it had received.

It was explained unofficially that Department of Justice agents had for some time completely identified and kept close watch on all representatives of Russia in this country, and it was believed such documents as had been received from London had added little information to that already held here.

PREMIER EXPECTED TO RETURN SOON

Premier Oliver is recovering rapidly after his trip from Rochester, Minn., to Hamilton, according to telegraphic advices received here to-day. Dr. Robert Oliver, the Premier's son, wired that he had stood the journey well and was gaining strength rapidly. It is expected the Premier will return here within the next three weeks.

PLANE SIGHTED STATE SAILORS

Nungesser Report From Sea South of Newfoundland is Investigated

St. John's, Nfld., May 25.—The Danish schooner Albert, arriving at Bellefleur, reported an aeroplane had been sighted eighty miles off Cape Pine on Monday, May 9, the day Capt. Nungesser and Major Gull were reported to have been sighted near Harbor Grace on their attempted non-stop flight from Paris to New York.

The report is being further investigated by the Government.

Cape Pine is a few miles southwest of Cape Race, the southeastern tip of Newfoundland, where the coast near St. Pierre.

OTTAWA DISCUSSES NEW SOVIET POSITION

Cabinet Considers Canada's Course Following British-Russian Break

Ottawa, May 25.—The Cabinet is to meet to-day to consider the rupture of diplomatic relations between Britain and Soviet Russia.

Canada was the only Dominion which adhered to the trade agreement concluded in 1921 between Great Britain and Russia and the termination of that agreement, involved in the rupture of diplomatic relations, leaves two courses of action for the Cabinet to consider:

First—Whether as a matter of policy and in order to continue the existing trade relations with Russia.

Second—What, if it is desired not to break official trade relations, Canada's position will be upon the trade treaty, which will be the subject of the trade treaty.

UNUSUAL SITUATION
Here an unusual situation arises. The trade treaty was concluded between the British and Soviet Governments, and Canada subsequently adhered to it by order-in-council.

In the event of the British Government formally terminating the agreement, what will be the position of Canada? It is asked. Would termination of the agreement by Great Britain also mean its termination so far as Canada is concerned; or could Canada, if she desired, continue independently?

The situation is admittedly confused. Experts are closely examining to-day the text of the agreement and the order-in-council to determine Canada's position in the matter.

GUERUS VISITS OTTAWA
Montreal, May 25.—L. F. Guerus, head of the Soviet Trade Commission in Canada, will seek an interview in Ottawa to-day with Premier King in regard to the situation created by the probable cancellation of the Anglo-Soviet trade agreement.

(Concluded on page 3)

French and Soviet Relations Are to Remain Unchanged

Paris, May 25.—Havas, the French News Agency, says it has learned the French Government plans no change at present in its relations with Soviet Russia.

The information was obtained after an interview with Foreign Minister Tschitcherine and Foreign Minister Briand and Premier Poincare.

Neither Foreign Minister Tschitcherine nor Christian Rakovsky, Soviet envoy in Paris, would comment on the statement of the British Prime Minister.

The chief of the Soviet press section, however, characterized as absurd a report that the Soviet would take the initiative in breaking relations with Great Britain.

Anyhow, he added, nothing definite would be done until the House of Commons to-morrow endorse the Government's decision.

FIRST PHOTO BY RADIO OF LINDBERGH IN PARIS

"I'm glad to find someone who can talk English," said Capt. Charles A. Lindbergh as he was being congratulated by United States Ambassador M. T. Herrick in Paris last Saturday night after he had completed his lone hop by aeroplane across the Atlantic Ocean from New York to the French capital.

This photograph of Capt. Lindbergh and Ambassador Herrick was taken in Paris on Sunday after the Ambassador's valet had dug up a suit of clothes for the aviator. The photograph, after being developed in Paris, was sent across the Atlantic by radio, then telephoned by land wires from New York to San Francisco. From San Francisco it was rushed by air mail to Victoria, arriving here this morning. Forty-five minutes after the photograph had arrived in The Victoria Daily Times office, it had been made into a cut by fast work in the Times engraving department and, ready for printing, was on its way to press for this edition.

Publication of the picture to-day sets the record in Victoria for fast work in the reproduction here of a photograph of an event in Europe. The usual time for such pictures to come through from Paris and be published here is over two weeks.

MISS "NEW YORK" WINS BEAUTY CHAMPIONSHIP
Galveston, Texas, May 25.—Miss Dorothy Britton of Jersey City, entered as "Miss New York," is the winner of the annual international bathing girl beauty review held here. She received \$2,000 in gold and a silver plaque.

Miss Ada Williams, as "Miss Florida," placed second, and Miss Rosa Blane, representing Luxembourg, captured the third place.

Miss Madeleine Woodman of Victoria, B.C., "Miss Canada," was one of the next seven beauties who each received a consolation prize of \$100.

MacDONALD NOT TO SHARE IN BRITISH M.P.'S SOVIET DEBATE
London, May 25.—Ramsay MacDonald, back from the United States, attended the conference of the Labor members of Parliament here to-day at which the decision of the Baldwin Government to sever relations with Soviet Russia was discussed.

It is understood the parliamentary Labor leader, who was ill during his visit across the Atlantic, was urged by his colleagues to spare himself as much as possible and he reluctantly accepted their advice to avoid the strain of speaking in a big debate in the Commons so soon after his illness.

The debate is to be started to-morrow.

Ontario's Holiday Was Spoiled by Rain
Toronto, May 25.—Celebration of Empire Day throughout the central and western part of old Ontario was considerably dampened by rain which fell throughout most of the day, and cold weather. Outdoor pageants and most of the large number of sports events scheduled had to be cancelled.

MONEY PRIZES FOR PACIFIC FLIGHTS
Honolulu, May 25.—The Honolulu Star-Bulletin, in a copyrighted article, announced to-day that James D. Dole, president of the Hawaiian Pineapple Company, would offer a purse of \$25,000 to the first aviator and \$10,000 to the second flier who make non-stop flights from the Pacific Coast of the United States to Hawaii during the twelve months starting August 16 next.

Dole was quoted as anxious to have Lindbergh compete, but if the Rev. York-Paris flier does not desire to enter the offer may be made effective sooner.

Town-planning Experts to Meet
Vancouver, May 25.—Many prominent engineers and town-planning experts from Great Britain, Canada and the United States will take part in the convention of the Town-planning Institute of Canada here Thursday, Friday and Saturday.

Sir Ebenezer Howard of London, Eng., who was knighted last year for his work in town-planning, will be present. He is said to have originated the garden city idea and in 1926 visited Washington as representative of the Town-planning Institute of Great Britain.

Hon. T. D. Battullo, Minister of Lands of British Columbia, and Robert Baird, inspector of municipalities of British Columbia, will deliver addresses.

BLAZE OF LIGHT AT BEACON HILL FEATURE TO-NIGHT

Closing Moments of Empire Day Festivities to Be For the Kiddies

Mystery Man Runs Gauntlet With Treasure Order For Last Time To-day

A torchlight procession, winding a serpentine course through the park at Beacon Hill, rockets, mortar bombs and colored flares, together with a huge bonfire where kiddies are to have a free potato jamboree will bring the Empire Day programme to a close this evening.

The whole crown of the hill will be illuminated in color flares, twenty-four of which will be spaced at equal distance about the top. As soon as dark falls the rockets will start to fly skywards, sending their streaming falls of light down over the heads of the crowd.

IN HUGE BONFIRE
To-night will be Kiddies Night at the park and donations of candy and other eatables are solicited by the committee to add to the donation of potatoes, several sacks of which will be roasted in the huge bonfire for the kiddies. Boys of eighteen years of age and under are invited to join in the torchlight procession, to assemble at Government and Dallas at 7:30. Torches are being made by the committee but those taking part are asked to bring their own if possible. Torches can be made from tarred rope on sticks, easily and cheaply secured.

Volunteers to collect the faggots for the bonfire are requested to meet at Finlayson Point as soon after 5:30 as possible, to carry wood from the beach for the potato blaze. The fireworks have been made possible through donations of \$150 for the purpose. Ten cash prizes offered for a costume parade at the park to-night.

THE MYSTERY MAN
The Mystery Man eluded pursuit yesterday, and though somewhat leg-weary with so much tramping, enjoyed three dances to Charlie Hunt's ten-piece orchestra on Blanshard Street last night, with partners who discussed the Mystery Man but neglected to ascertain the question which would have brought them one hundred pieces of silver.

The Mystery Man will spend the day attending at city stores, making such purchases as his purse permits. (Concluded on page 9)

SIR ESME HOWARD GOES TO WASHINGTON

British Ambassador to U.S. Recovers After Collapse and Leaves Vancouver

Vancouver, May 25.—Sir Esme Howard, British Ambassador to the United States, after a day of rest following his collapse during an address before the Vancouver Women's Canadian Club in the Hotel Vancouver, Monday afternoon, left for Washington, D.C., to-day. He was conveyed to the train in an ambulance, but his condition was reported as much improved.

His proposed visit to Banff, as well as his stop in Winnipeg, have been cancelled and the party will proceed directly to Washington.

The Ambassador's indisposition was said to have resulted from over-exertion during his tour of the Pacific Coast of the United States.

PINEDO PLANE IS TOWED TO AZORES
Arrival of Schooner With Aviators and Machine Awaited at Horta

Rome, May 25.—A dispatch to the Stefani News Agency from Horta, Island of Fayal, in the Azores group, to-day said the report that Commander de Pinedo's transatlantic aeroplane had arrived there was not confirmed. All the dispatches received in Rome this morning on the subject tended to modify the previous information. To-day's advices concurred in affirming the seaplane was still being towed toward the Azores by a three-masted Portuguese vessel.

UNFAVORABLE CONDITIONS
Horta, Island of Fayal, Azores, May 25.—A rough sea to-day created unfavorable conditions for the towing of Commander de Pinedo's seaplane, which was reported yesterday in tow of a sailing schooner about 240 miles west of here.

The plane came down in the sea when attempting to fly from Trepassy, Nfld., to this port. There has been no further authoritative news since yesterday's dispatches stating one of the wings of the plane was crippled and that there were other minor damages.

At last reports, the Portuguese gunboat Beira was still searching for the schooner and its tow.

The Italian aviator, Commander de Pinedo, who left Trepassy, Nfld., early Monday morning on his return journey to Rome after a four-continent serial flight, was due at the Azores last night. Nothing was heard of him and various messages, all of them without details, reported him either safely at or near the island of Fayal, one of the Azores group.

TUG ON WAY HERE THOUGHT TO HAVE SUNK

Fears Expressed for Safety of Crew of Five on Warren, Coming Here From Seattle; Crew of Swell Report Seeing Barge Anchored to Bottom by Towing Hauler; Missing Vessel Headed Into Heavy Seas Monday Night

NAVAL CONFERENCE TO BEGIN JUNE 20

Washington, May 25.—The three-power Naval Limitation Conference called by President Coolidge will be opened in Geneva on the afternoon of June 20, Secretary of State Kellogg to-day informed the British and Japanese Ambassadors after informal conversations had shown the date acceptable to all.

BIG FIRE SEEN IN SOUTH FLORIDA

100 Square Miles of Everglades Burned Over; Miami Given Protection

Miami, Fla., May 25.—Fire early to-day had burned over an estimated 100 square miles of the Everglades and was spreading westward.

Preparations were being made to keep the spreading flames from a 30,000-acre section between the burned over area and the outskirts of Miami, the Country Club estate and Hialeah. A fire break was being thrown up between two drainage canals along a back-fire started in an effort to check the fire's spread.

STORM IN VIRGINIA KILLED FOUR MEN

Grandstand at Portsmouth Blown Down During Game To-day

Norfolk, Va., May 25.—A sudden storm to-day blew down the grandstand of the Portsmouth Baseball Park during a game at which Commissioner Landis was the guest of honor.

One man was killed and it was estimated between fifty and seventy-five persons were injured. Thirty were taken to a hospital and many others removed to their homes after receiving emergency treatment.

It is estimated the wind reached a velocity of seventy-five miles an hour for a few minutes.

The first gust of the storm unroofed a Norfolk and Western warehouse on the waterfront near the Union Station here, killing four men and injuring a number.

LIFE SENTENCES ARE TO BE APPEALED

Action Taken in Vancouver For Russell Stonehouse and W. Pasquale

Vancouver, May 25.—Appeal against the sentences of life imprisonment imposed following the recent assizes court sessions here by Mr. Justice D. A. McDonald on a statutory charge, will be filed at an early date, it is stated. Copies of the evidence tendered at the trial are being prepared and on their completion the full grounds on which the appeal is being filed will be made known.

Wrongful admission of evidence for the prosecution is one of the allegations made by the defence as the basis for the appeal, but it is also contended the trial judge erred in his direction to the jury. There are several other grounds, dealing chiefly with the evidence adduced.

Two other appeals against sentences imposed following the recent assizes court sessions here have been filed, one in behalf of Angus Nicholson, sentenced to four years on a manslaughter charge, and the other in behalf of J. D. Green, sentenced to three years also for manslaughter.

P. KELLY IS TO BE SENTENCED AFTER LOS ANGELES TRIAL

Los Angeles, May 25.—Paul Kelly was convicted of manslaughter to-day, for the killing of Ray Raymond, husband of Dorothy Mackaye, Kelly's actress friend, in a flat attack in Raymond's Hollywood home. The conviction carries a penalty of one to ten years.

Superior Judge Charles Burnell set next Thursday, May 31, as the date for imposing Kelly's sentence.

Little hope was expressed by shipping men here to-day for the safety of the crew of five of the tug Warren, which is thought to have sunk Monday night while en route here from Seattle, towing a large coal barge belonging to the Crosby Lighterage Company.

The tug Swell, owned by the Victoria Tug Company, arrived here from the Sound yesterday and reported seeing the Crosby barge one mile from Port Townsend anchored by the towing hauler to the bottom. It is thought the tug Warren was sunk and was at the end of that line.

High seas running Monday evening caused the Swell to put into Port Townsend for anchorage. The Warren, which had been following the Swell, was blown up by the tug Townsend, however, and was last seen passing Point Wilson, where she was wallowing in the heavy seas.

LITTLE HOPE
King Brothers, who handled the tug at this port, had no word on the Warren to-day and it is pointed out that if the vessel were sunk and the crew had reached shore, the wreck would probably have now been reported. The crew of the Swell can give little chance of the appearance of the tug and its crew.

The Warren was a tug of forty-one tons and belonged to the Ullman Tug Company of Aberdeen, Washington. Capt. W. L. McDevitt, twenty-six, was in command.

GIVEN UP FOR LOST
Seattle, May 25.—Missing since 2 o'clock yesterday morning when she was sighted in the Strait of Juan de Fuca, the tug Warren was given up for lost by the Independent Gravel Company of Seattle, which had the vessel under charter to the Ullman Tug Company at 3:15 o'clock last Monday afternoon for Victoria with a scow in tow. At 3:45 a.m. yesterday the scow was sighted by the steamship Solstice of the Puget Sound Navigation Company, drifting off Protection Island.

The crew of the missing tug, all of whom are believed to have been lost, were: Captain William McDevitt, Seattle, master; A. A. Tucker, Aberdeen, chief engineer; George Moore, Seattle, second engineer; Charles Rohringer, Seattle, deck hand; H. Healey, Seattle, cook.

The drifting scow was taken in tow at 7 o'clock yesterday morning by the tug Horriet of the Washington Tug & Barge Company, and towed to Port Townsend.

HEAVY FIGHTING ON HONAN FRONT

Many Wounded Chinese Soldiers Arrive at Hospitals in Hankow

Shanghai, May 25.—A wireless dispatch from Hankow says the number of wounded arriving from the Honan front indicates unusually heavy fighting.

The Hankow Reds are reported to be concentrating one man in three as reinforcements for Honan. Troops are also being drafted to be sent to Wuchang because of the advance of General Hsiao Tzu-Ting's forces from the south and General Yang Sen's troops from the southwest.

Great uneasiness prevails in Hankow, where a run on the Central China Bank was prevented by intervention of armed guards. The food shortage is acute and prices are soaring.

DUNCAN C. SCOTT AWARDED MEDAL

Royal Society of Canada Also Honors Arthur G. Doughty With Medal

Ottawa, May 25.—Presentation of two gold medals for outstanding work in Canadian literature and for outstanding contributions to Canadian science and literature was the feature of the opening of the annual session of the Royal Society of Canada here.

Announcement also was made by J. B. Tyrrell, Toronto historian, that he desired to give, through the society, a gold medal to be awarded annually to the writer who produced the best work on Canadian history.

The Sir John Flavelle Medal for the outstanding contribution to Canadian science and literature during the last year was awarded to Dr. Arthur G. Doughty, public archivist of Canada. Dr. Duncan Campbell Scott, Ottawa poet, received the Lorne-Petrie Medal for outstanding work in Canadian literature.

The election of eight new Fellows to the Society was confirmed at the general meeting.

BRITISH LABOR OPPOSES HASTY SOVIET BREAK

(Continued from page 1)

FULL REPORT AWAITED

Details of the report Arcos raid, carried out by the London authorities, were expected to be made yesterday by the Home Secretary. The Premier told a few things about the raid, but apparently the real story will not be known until it is published in official papers.

ATTITUDE OF LABOR

Although it appeared obvious to-day that the Government's big majority in the House of Commons assured endorsement of its policy to sever relations with Soviet Russia, it was not expected that "decision" would be "un-challenged." The precise form in which the challenge will be given was the subject of much speculation. It will be decided at a special meeting to-day of the Labor Party, under the presidency of the former Labor Premier, Right Hon. Ramsay MacDonald.

The Liberals, who also will meet to-day to consider their attitude during Thursday's debate, seem to be divided with regard to the Government's decision. The majority appear to oppose a diplomatic break, but are less opposed to abrogation of the trade agreement.

REACTION DISCUSSED

As a whole, the Conservatives are elated over the decision, yet some moderates of the party are said to be uneasy about a possible reaction in Europe, recalling that Sir Austen Chamberlain, Foreign Secretary, in February overruled a proposal for a break on grounds that it would menace European peace. It is expected, however, that Chamberlain will explain this point in the Commons to-day or to-morrow.

CASE DECLARED THIN

Labor leaders declare the Government presented a very thin case and charge the Conservatives with merely desiring to destroy Russia's experiment in economic reconstruction and the cause of the proletariat everywhere.

A. J. Cook, secretary of the Miners' Federation of Great Britain, said an official break would cause British workers to cement their relations with the Russian workers more closely than ever. "The miners would never forget," he said, "that Russians had sent millions of pounds to help them during their strike."

All the London newspapers, with the exception of the Daily Herald, the Labor organ, agree the Government's case against Soviet Russia, prompting the decision to break off relations, is inconceivably sound. The Liberal newspapers, however, either question or condemn a rupture of diplomatic relations.

PROPAGANDA GROWS WEAKER

Declaring the Russian Government "shamelessly abused" its position under the trade agreement and "repeatedly broke its pledges," the London Daily News, Liberal, contends it is impossible permanently to ignore the great European nation with its 160,000,000 people. It argues that Russian propaganda is noticeably losing its effectiveness, and that the western governments should follow a policy of firmness and patience.

SENT TO MOSCOW

Informing the House of Commons how the missing document from the British War Office had been photographed and sent to Moscow, Premier Baldwin told of the police invasion of a photostat office in Soviet Russia, which answered exactly the descriptions previously given to the police and which was occupied by the senior clerk, Arthur Miller, known to be connected with the activities of the secret agents. This room, occupied by Miller, adjoined the private office of M. Khrushchuk, head of the Trade Delegation.

The Short Way to Health

Every ILL Person can now try Remarkable "I-ON-A-CO" treatment FREE

Wilshire's I-ON-A-CO, 1113 Government Street.

Dear Sirs:—For over three years I had neuritis in my hands so badly I was unable to close my fingers without great pain and effort, my suffering was terrible. After two weeks' treatment I felt great relief, and now after a month the swelling is almost gone, the stiffening and pain is greatly relieved. In fact, I feel like a different woman and am able to do the ordinary household tasks without any trouble. My blood pressure has also been reduced considerably and my whole system is toned up. I can only speak in the highest terms of the I-ON-A-CO Belt and would advise anyone who is suffering to try your treatment and get relief. You may publish this letter as you wish so that others may know and get help as I have done.

Yours truly,
J. P. MUNSON,
2547 Blanchard Street, Victoria, B.C.

First Day at Lord's Gave Hendren Thrill

Reuter's Special to The Victoria Times.

London, May 25.—"I shall not easily forget the day when I was invited to turn up at Lord's, the headquarters of the greatest of all games," writes "Pat" Hendren, the Middlesex and All England batsman, in the Evening Standard. "I dreamed that I was already out in the middle."

"Actually I was to be interviewed with the idea of seeing what sort of a Lord's programme boy I might make."

"Even before I took on this job I had been seen by the then Middlesex captain, Gregor McGregor—then styled the prince of wicket keepers. I remember him so well. A fine, unassuming man, with a handsome curling moustache. He was evidently unimpressed with my appearance. 'My boy, you must eat more pudding and grow if you want to become a cricketer.' No one is understood ever to have made a fortune out of selling 'Krekts Kards' but I loved the job and the opportunities it gave me to gaze at the great."

"What boy would race round when W. G. Grace or C. B. Fry or Ranji were performing? So often I returned to the printing office with more cards than I'd taken out—well, so it seemed. Old Tom Hearn was then the head of the ground staff, and many a time have I dodged him when I wanted to see a little bit of what was going on."

STOPPING HEARD DRIVES

"I did not show any great promise of being a batsman. It still looked as if I should develop into a slow to medium right-hand bowler. I took almost as much pleasure in fielding, and even when practicing at the nets would often sacrifice bowling so that I might stand out fairly deep to stop powerful drives."

"At this time I never could see myself as a potential Middlesex player. I was trying hard, but batting, that is, good batting, seemed well outside my compass. During my second year on the staff I realized I must think and dream of nothing but the game."

"My very earliest dreams centred round Pelham Warner. He used to go in first to the county at that time. When he was out batting people could go hang for their cards, so far as I was concerned. 'Plum' was the most graceful of batsmen. His forward stroke I tried to copy every time I took up a bat."

MARINE NOTES

The C.O.M.M. freighter Canadian Transporter arrived here yesterday morning to take on lumber for the United Kingdom, but owing to a slight list was unable to make more than a few hundred feet and left at midnight last night for sea. She had over 3,000,000 feet on board from different British Columbia ports and had about 700 feet in her deckload.

The hydrographic survey boat Lillooet this morning was towed from Yarrows Limited, where she has been undergoing repairs for several weeks, to her berth in the inner harbor. This vessel will leave here some time next month on a trip up the British Columbia Coast, searching for uncharted rocks and menaces to navigation.

A Buying Guide

BEFORE you order dinner at a restaurant, you consult the bill-of-fare. Before you take a long trip by motor car, you pore over road maps. Before you start out on a shopping trip, you should consult the advertisements in this paper. For the same reasons!

The advertising columns are a buying guide to you in the purchase of everything you need—including amusements! A guide that saves your time and conserves your energy; that saves useless steps and guards against false ones; that puts the s-t-r-e-t-c-h in family budgets.

The advertisements in this paper are so interesting, it is difficult to see how anyone could overlook them . . . fail to profit by them. Just check with yourself and be sure that you are reading the advertisements regularly—the big ones and the little ones. It is time well spent . . . always.

Avoid time-wasting, money-wasting detours on the road to merchandise value. Read the advertising "road maps"

BOMB FACTORY IS FOUND IN SUBURB OF MEXICAN CAPITAL

Mexico City, May 23.—The discovery of a bomb manufacturing plant, large quantities of dynamite, thousands of rounds of ammunition and other war materials in a private residence in Tacuba, a suburb of Mexico City was announced yesterday by the police.

The place had been suspected of being a rebel headquarters. Police declared they found a veritable arsenal which they think has supplied the rebellious movement in the state of Jalisco with the bulk of its ammunition. A Japanese chauffeur, suspected of being an ammunition runner for the

rebels between Mexico City and Jalisco, was detained and a number of arrests made. The police refused to reveal any of the names or details of the raid, pending further investigation.

CANADA'S FLAG OVER LEGATION IN WASHINGTON

Washington, May 23 (By Canadian Press).—Canada's flag was raised over the Canadian Legation here yesterday. It was the first time it was officially displayed in Washington, Hon. Vincent Massey, Canadian Minister, having used the Union Jack on previous occasions.

ARGENTINE AND MEXICO HONOR CAPT. LINDBERGH

Buenos Ayres, May 23.—President De Alvear of Argentina has added his tribute in behalf of the people of the country to the sum of praise paid to Captain Lindbergh's exploit.

In a message to President Coolidge he says the flight proves the efficiency, the intelligence and the energy of the great people of the United States. All the newspapers continue to devote many columns to the achievement and it is still the prevailing topic of conversation.

Mexico City, May 23.—To the applause all the world is lavishing on Capt. Charles Lindbergh, the Mexican newspapers are contributing profuse expressions of praise. "Lindbergh's unbreakable physical resistance, reckless valor, incomparable energy and audaciousness," says "Excelsior," "have gained a triumph unprecedented in aviation, giving to the United States the glory of having such a hero. Lindbergh typifies all the force of a significant race, all the formidable boldness of the most powerful people on earth. Henry Ford, Theodore Roosevelt, Lindbergh—these are the breed of a nation with a splendid vitality, colossal strength and energy, self confidence, which give it to-day world domination such as Rome and Spain had in their prime for the same reasons."

"Probably final complete subjugation of the air to the will of man will be the work of this powerful nation, which has made such enormous progress in aviation."

El Universal says it thinks of Lindbergh as "representing eternal, insatiable youth."

"One of the finest things of all," it adds, "is the frank and generous spirit with which all the world has hailed the triumph, with an absence of envy and with spontaneous sincere joy in the performance of a great and glorious deed."

FLIGHT PLAN FAILED

Fairbanks, Alaska, May 23.—Captain George H. Wilkins and Alger Graham, his pilot, who left here yesterday for Point Barrow en route to Etah, Greenland, returned last night after the plane had failed to rise more than 3,500 feet above the ground. The route planned by Capt. Wilkins would have taken him across the Brooks range at an altitude of 8,500 feet.

MUSIC FESTIVAL

Saskatoon, May 23.—A joint music festival in 1926, to be held in Moose Jaw, from May 21 to 26, was decided upon at the annual meeting of the Saskatchewan Musical Association here yesterday. The meeting ratified the selection of adjudicators and the report of the secretary, Norman J. Palmer, indicated a progressive year.

Diamond Jubilee Inspires Song

At The Canada Jubilee

WALTZ SONG

By GORDON V. THOMPSON

Words of "When We Stand Up To The Wind" "When Your Boy Comes Back To You"

GORDON V. THOMPSON.

Canada's Diamond Jubilee has been the inspiration that led to the writing of a new Canadian song "At The Canada Jubilee" which has recently been published to commemorate the sixtieth year of confederation.

Its composer, Gordon V. Thompson, has already established the reputation of being one of Canada's leading song writers. His popular war songs composed and published during the stirring days of 1914-18 are well known. There are few who do not know by heart the airs of "When Jack Comes Back," "Khaki" or "When Your Boy Comes Back To You," three patriotic songs in particular composed by Mr. Thompson during the War.

MUCH ACCOMPLISHED BY CHURCH LEADERS

B.C. Conference of United Church in Vancouver Comes to an End

Vancouver, May 23.—The British Columbia conference of the United Church of Canada closed its 1927 session shortly after noon yesterday to meet at the call of the president in St. Andrew's United Church, Vancouver, next year.

Rev. E. D. Bruden, in his closing address, said much had been accomplished and many church problems settled.

The proposed union of St. Andrew's and Wesley United Churches in Vancouver came up for discussion, and the recommendation that an advisory committee be appointed by the conference to aid the congregations was accepted.

WORK FOR ORIENTALS
The work the church should do in connection with the Orientals in British Columbia will be discussed by the various presbyteries in the Province, it was decided.

Rev. Dr. J. S. Henderson complained that no religious body outside the United Church had extended greetings to the conference. He asked for appointment of a committee to identify the conference with other Christian denominations. The president and secretary were appointed.

CITY PROBLEMS
Rev. J. R. Craig declared much had been heard of the outside work of the conference, but very little of the city problems. Before the union of the churches, prominent bodies had taken part in the charitable work of the East End of Vancouver.

"Since then," he continued, "the workers have been left to do their work along as best they could without assistance."

Rev. J. D. Hobden, treasurer, announced the fund raising in 1927 amounted to \$976. The cost of the fares of delegates to the conference was \$2,700.

MINISTERIAL CHANGES

Rev. Dr. A. M. Sanford reported to the conference on the work of the settlement committee, which, he stated, had made readjustments of ministers and charges. Ministerial changes reported outside Vancouver, included: Victoria West, H. J. Armitage; Esquimalt, W. J. Kelly; Cowichan, Evan Baker; Wellington, T. G. Barclay; Qualicum, J. R. Wiseman; Parksville, E. B. Arrol; Nanaimo, Peter Henderson; Milner, S. J. Green; Clayburn, J. H. White; Haisla, C. McDiarmid; Revelstoke, W. Vance; Merritt, A. R. Walkinshaw; Kamloops, E. W. Mackay; Coalmont, D. A. Allen; Penticton, A. E. Whithouse; North Kamloops, Henry Wilson; Princeton, John C. Goodfellow; Nakusp, B. H. Henderson; Yakh, Bishop Black; Kaslo, D. W. Scott; Trail, Beverley L. Oaten; Rossland, C. H. Daly; Wardner, William Ricksby; Michel, J. A. Rowland; Siccan City, John Rogers; McBride, H. T. Allen; Fort Fraser, E. C. Curry; Prince Rupert, A. Wilson.

VETERAN OF MOUNTED POLICE VISITS B.C.

Vancouver, May 23.—Old-timers of the Mounted Police enjoyed the pleasure of meeting G. C. Boswell of Los Angeles, a visitor in Vancouver on the holiday, who was one of the original members of the Northwest Mounted Police when it was formed in 1873.

Mr. Boswell, who is now Deputy Supreme President of the American Order of the Sons of St. George, a fraternal organization of Americans of English birth or parentage, was at the Hotel Georgia most of the day, presiding over old comrades, and in the evening attended the monthly meeting of the Royal Northwest Mounted Police Veterans Association, where he was given an enthusiastic welcome.

"There are a great many former Mounted Policemen in California," said Mr. Boswell, "but it is a real treat to get back on Canadian soil and meet the old-timers."

Mr. Boswell was only nineteen years of age when he joined the force at Fort Garry in 1873, and the next year he was one of the historic party of 200 who made the long trek over the virgin prairie to the site of Fort Macleod, which he helped to build.

Later, in the Riel Rebellion of 1885, Mr. Boswell rejoined the force to serve as a dispatch rider for Gen. Sirr at Calgary. While business gave him only one day to stay in Vancouver at present, Mr. Boswell stated he intended returning from Seattle in a week's time for a longer visit.

On his return he said he hoped to have the pleasure of visiting and talking with Lady Steele, widow of the late Maj.-Gen. Sir Sam Steele, who was one of his closest friends in the early days.

Now Visiting Europe; Hon. James Malcolm

London, May 23 (Canadian Press Cable).—"I am here to visit Canadian trade commissioners in Britain and on the continent of Europe and to acquaint myself more fully with the possibilities markets here offer for Canadian products," Hon. James Malcolm, Canadian Minister of Trade and Commerce, told newspapermen in an interview yesterday.

He added he was more particularly desirous of bringing about an increase in inter-empire trade, of which he had been a constant advocate.

The Minister mentioned the grant of \$100,000 made by the Canadian Government for advertising Canadian goods in Britain. To secure the best means of applying the money was an important object of his visit, he said.

ENGLAND TO HAVE ECLIPSE EXCURSIONS

London, May 23.—The eclipse of the sun which will be observed by a portion of England next month is arousing such interest that railway and motor bus companies are preparing to carry thousands of excursionists to the favored belt across England where the view will be best.

More than one hundred special trains and hundreds of motorbuses will carry passengers to the biggest open-air parties ever held in England. Most of the participants expect to arrive at vantage points around midnight.

Ebenezer McAdam Died in Dawson

Dawson, Y.T., May 23 (Canadian Press).—Ebenezer McAdam, sixty-seven, resident manager of the North American Trading & Transportation Company here, died suddenly in his home last night.

McAdam was appointed chief accountant of the company's office in Dawson in 1899, and succeeded to the management upon the death of his predecessor, Frank J. Nolan.

McAdam died while sitting in his chair just after remarking that it was time for him to retire.

He is survived by two daughters, Mrs. Claud Joseph, who resides in California, and Miss Linda B. McAdam of Washington, D.C., an employee of the United States Navy Department. The funeral will be held on Thursday.

CHARGE OF MURDER

Williamamantic, Conn., May 23.—Leonard Clime, novelist, journalist and playwright, yesterday was committed for trial in Superior Court, charged with the murder of his friend and house guest, Wilfred Pryor Irwin of New York. Arraigned before Grand Juror Carlton P. King, of Mansfield, Clime pleaded not guilty in a firm voice. He was bound over and returned to the Tolland County Jail.

Since Sweaters Have Such Style Prestige, One Isn't Enough

No matter what you're going to do with your Summer, you'll find it a splendid thing to have several Sweaters in your wardrobe. If you're going to golf or play tennis a lot, you'll really need a number. If you're going to motor frequently two or three will come in handy. No matter what you're going to do, you'll enjoy owning sweaters like these.

VANCOUVER AREA HAD RAIN ON HOLIDAY

Vancouver, May 23.—Dull weather not at all appropriate to the first big holiday of the season did not entirely discourage the festive spirit in Vancouver yesterday. Boats, trains, staves and private motor cars converged thousands away to the various resorts within easy access of the city. The parks and beaches were well patronized, especially in the afternoon when the rain clouds lifted and a few rays of sunshine peeped through at intervals.

Even a steady downpour in the forenoon did not deter a thousand or more men and women from coming down town to Cambie Square to witness the Trooping of the Colors by the 1st British Columbia Regiment. Many of these remained and enjoyed a few hours' frolic at the Canadian Legion carnival, which was fairly well attended throughout the afternoon and evening.

SPORTS HELD
Sports events scheduled for the forenoon had to be cancelled in many cases, but the afternoon programme was not seriously disturbed and big crowds attended the football and baseball games. Golf competitions were held at every links in the city and were featured by generous entries. The wet track cancelled the auto races, but those who might have enjoyed this event found ample entertainment in the other sports. At the beaches there were many picnic parties and swimming enthusiasts did not hesitate to take the plunge, although per-

GERMAN PAPERS COMMENT ON BRITISH AND RUSSIAN MOVES

Berlin, May 23.—The Nationalist Press of Germany professes to be bewildered at the British Prime Minister's policy toward Russia.

The Lokal Anzeiger asks: "What can England gain by this move?"

"Such a policy," it continues, "creates new complications new unrest, with which Europe is simply supplied."

The Tagliche Rundschau, which frequently reflects the viewpoint of Gustav Stresemann, German Foreign Minister, says: "Germany can only pursue a policy of absolute neutrality."

REVELSTOCK CELEBRATED

Revelstoke, B.C., May 23.—Revelstoke celebrated Empire Day by observing the traditional May Day ceremonies. Miss Merle Barton was crowned May Queen, after which the play ground annex to Riverside Park was officially opened by her. The day was showery.

When on duty—day or night—
I have always to be bright;
Ready with a pleasant smile,
Pain or sickness to beguile.
As I move around the bed
With dainty shoes well "NUGGET"-ed,
Patients oft their thoughts reveal,
"Nurse! you're bright from head to heel."

CATHEDRAL CHOIR CONCERT TO-NIGHT

Boys Hope to Raise Funds For
Trip to B.C. Festival

To raise funds necessary for their forthcoming trip to Vancouver to enter the B.C. Musical Festival, the choristers of Christ Church Cathedral will give a concert at the Memorial Hall this evening at 8 o'clock. The admission fee will be nominal.

The programme follows:
Violin duet (Pleyel)
Masters George Tate and Jack Grant
Vocal solo—"I've Been Roaming" (Horn)
Master Leighton Winter.

Chorus—
(a) "Bells of Aberdovey" (with Decant)
(b) "O For the Wings of a Dove" (Mendelssohn)
Piano solo—"Pastorale Varie" (Mozart)
Miss Dorothy Greenwood.
Vocal solo—"Drumbeat" (Sanderson)
Mr. Sidney White.
Violin solo—
(a) "Adoration" (Borowsky)
(b) "Minuet" (Maphre)
Vocal solo—"Fair House of Joy" (Quilter)
Mr. Sidney White.
Humorous selection—
Mr. Bob Webb.

Chorus—
(a) "North Wind" (Rowley)
(b) "All Through the Night" (with Decant)
"God Save the King."

PACIFIC COAST BOUND TO GROW

Will Eventually be Centre of
World Shipping, Says Capt.
Robert Dollar

Chicago, May 23.—The Pacific Coast eventually will be the centre of the shipping trade of the world, according to Captain Robert Dollar, Jumbo and owner of the world-famed Dollar Line of ocean steamers, in a talk here yesterday before the Rotary Club of Chicago. Captain Dollar added that the Panama Canal has been largely responsible for the remarkable development of the Pacific Coast trade, but that it was mainly due to the fact that the Pacific Coast faces half the population of the world.

"Just as surely as the centre of commerce shifted from the Mediterranean to the Atlantic, the centre will shift from the Atlantic to the Pacific," the veteran shipowner said.
"Who would believe several years ago that two Chinese ports would exceed London in the total amount of entrances and clearances?" he asked. "Yet the totals last year were: New York, 27,000,000 tons; Shanghai, 28,000,000; Hongkong, 22,000,000; London, 21,000,000; Liverpool, 19,000,000."
"No other nation, however, has completely neglected the shipping industry," he said. "There is not one shipowner in Congress. In the English Parliament, there are seventy-two shipowners who make laws that are workable."
Air liners, with daily schedules from Chicago to Paris were also predicted by the Jumbo man, who is now in his eighty-fourth year.

SILVERSMITH MILL TO REOPEN JUNE 1

The Silversmith mill at Sandon will reopen on June 1, according to information received from the John B. White Company in Spokane.

Remodelled and extended, it will handle both the output of the Silversmith and the adjoining Sloan-King mine.
A Spokane mining broker offers this information about the Sloan-King: "Regarding the Sloan-King engineer's report that a second Silversmith seems to be assured, the ore body in the west end of the property adjoins the Silversmith mine and has been proven for a length of 500 feet on the Silversmith No. 10 level with ore still continuing in the face. The shoot has shown a width of as much as six feet in places, with an average for its entire length of more than five feet of good to high-grade ore. The showing is in virgin ground at a depth of about 800 feet."

Korea Maru Sails With Heavy Cargo

San Francisco, May 23.—Carrying 250 passengers and over 6,000 tons of cargo the N.Y.K. liner Korea Maru sailed from here yesterday for Japan via Honolulu. The vessel carried a record shipment of 40,000 bags of rice in addition to 55,000 feet of lumber and a large quantity of general merchandise. Among her passengers were Viscount M. Inaba, bound for a short visit to Japan after a course in an English preparatory school, and A. H. Hopkins, former editor of the Hawaiian Telegram, who left for Tokyo to assume the post of production manager on the Japan Advertiser.

Discharge of cargo from the Dollar liner President McKinley, which arrived here five days late yesterday, was being rushed to-day to enable the vessel to go on drydock to-morrow. In her trip from Yokohama the vessel lost a propeller blade and sustained damage to her stern, but work will be rushed to enable her to sail on schedule Saturday.

The German good-will schooner, Vaterland, in command of Count Felix von Luckner, cleared for Portland yesterday on the next leg of her trip around the world. She is scheduled to sail to-morrow.

Admiral Line Man in Orient Resigns Post

Seattle, May 23.—The barquentine Thomas P. Smith and Aurora of the Nelson Steamship Co. have been taken out of Lake Union after lying idle for two years. The Thomas P. Smith will load 1,000,000 feet of lumber at Port Angeles for San Francisco and the Aurora will lift the same amount at Seattle for export.
Earl F. Townsend has resigned as Oriental manager of the Admiral Oriental and Dollar Lines, he announced here Monday upon his arrival from Shanghai. He had been in the Far East seven years. Townsend will enter the investment securities firm of Townsend, Jackson & Co., of which his brother, F. B. Townsend, is a member. The firm has offices in Seattle and Tacoma.
The H. F. Alexander, resuming weekly service between Seattle and Los Angeles, left here yesterday with 200 passengers.

Mrs. Eldred will be glad to answer all questions pertaining to babies and children. A stamped and self-addressed envelope forwarded to this office will bring a personal reply.

THE GIVING OF SUN BATHS

By Request

With a fuller knowledge of the value of sunlight as a help in the cure of rickets, because of its ability to help the body utilize minerals in the food to make strong bones and teeth, we arrive at the next step, how best to get the value of sunlight. This is no real problem with the child who runs about in the sunlight daily, wearing a minimum of garments, but it still remains a problem for the infant who is swathed in clothes.

The baby who is born in the Spring can have sun baths as early as four or five weeks of age, depending on the climate and the child's condition. There are various ways of giving sun baths. The sun must fall on the child directly, not through window glass, and the baby must be exposed to it for only a very short time at first and later for increasingly longer periods.

If the mother finds it inconvenient to take the baby out, she can put him in front of an open window during those parts of the day when the sun is hottest, from 10 to 1 p.m. Both cheeks may be exposed to the sun and the feet and legs for not more than five minutes at first. Turn the head from side to side so that the eyes are protected. The next day the time can be slightly increased. The skin will

BEJEWELLED WOMEN MAKE BRILLIANT SCENE AT COURT

Queen Mary in Silver Cloth and Diamonds at Last Night's Function

London, May 23.—The throne room in Buckingham Palace was a brilliant scene last night when the King and Queen held their first court of the season. This was mainly diplomatic and official.

Nearly 1,000 leading members of society, among them hundreds of bejewelled women, crowded the state apartments, where banks of hothouse flowers and foliage provided an effective setting for the gorgeous dresses and uniforms. The string band of the famous Scots Guards Regiment played, while startled debutantes passed through lines of footmen of the Guard in gay scarlet uniforms and Tudor hats to the royal presence.

Queen Mary wore silver cloth with an overdress of tulle embroidered with pearls and silver, diamond diadem and diamond neck ornaments. Princess Mary and other princesses were in the royal party.

The court opened with the entry of Lady Chamberlain, wife of the Foreign Secretary, after which the presentations were made.

Presentation of ladies from the Dominions will take place at the second court to be held to-night.

SOUSA'S BAND COMING TO VICTORIA IN FALL

Banff Springs Hotel, Alta.—Among the interesting guests staying at Banff Springs Hotel this week are Mr. Harry Askin, of New York, manager of Sousa's Band, and Mrs. Askin, who are on their wedding trip. Mrs. Askin before her marriage, which took place at Los Angeles, Cal., on May 9, was formerly Miss Rena McDonald, noted in musical circles throughout the United States in connection with the Le Royer Musical Bureau, Los Angeles. Mr. and Mrs. Askin have been visiting all the principal cities in the United States and Canada, arranging for the coming concert tour of Sousa's band.

Among the cities which will be included in the itinerary this Autumn are: Winnipeg, September 14; Regina, September 15; Saskatoon, September 16; Edmonton, September 19; Calgary, September 20; Victoria, October 3; Vancouver, October 4; Bellingham, October 5; Seattle, October 6 and 7, and Portland, October 8 and 9.

Saanichton Dance.—Many city guests are expected at the dance which is to be held in the Agricultural Hall, Saanichton, on Friday evening of this week under the auspices of the North and South Saanich Agricultural Society. Potts' four-piece orchestra will supply the music from 9 until 1 o'clock, and the legs at the association will have charge of the supper arrangements.

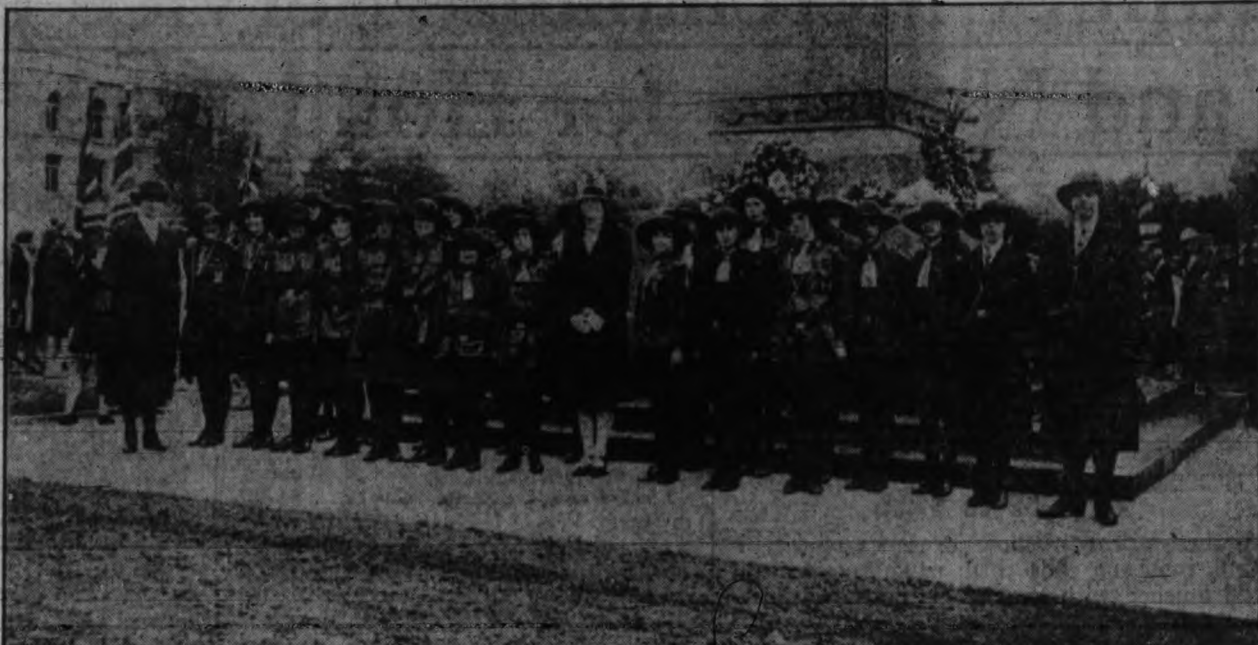

St. Barnabas Play.—The St. Barnabas A.Y.P.A. will play "Just For Fun" at St. John's Church, Colwood, on Saturday at 8 p.m., previous to putting the play on at St. Barnabas on Monday night at 8.30 p.m.

HONORING MEMORY OF QUEEN VICTORIA ON EMPIRE DAY

Miss Mackenzie of Government House is seen above in the centre of the Girl Guide detachment who acted as a guard of honor for the I.O.D.E. ceremony at the Queen Victoria memorial on Monday morning. On the extreme left is Mrs. George Phillips, Victoria Guide Commissioner.

SPECIAL CLASSES FOR BACKWARD CHILDREN HAVE NO STIGMA

Toronto Inspector Says That Feeble-minded Children Excluded From These Classes

Vancouver, May 23.—There are in Ontario ten times as many special or auxiliary classes for handicapped children as there were seven years ago, and these have been established voluntarily by school boards without compulsion of any kind, said Dr. S. B. Sinclair, of Toronto, at the Canadian Conference on Child Welfare, Tuesday.

Dr. Sinclair, inspector of auxiliary classes for Ontario, maintained that the unparalleled increase of fifteen times the number of special Ontario classes for backward children during the past seven years is due to the fact that feeble-minded and mentally diseased children are excluded from the special classes which are conducted as an organic part of the school without stigma. The power and responsibility of establishing and continuing these classes are placed in the hands of local school boards and of inspectors and teachers, all of whom have had professional preparation and successful experience in teaching and have taken special courses in the diagnosis and treatment of special class children.

"Stigma is one objectionable thing I am trying to do away with in the case of the 'special' child, sometimes wrongly called a 'moron' or an 'imbecile,'" said Dr. Sinclair. In reply to a question of Dr. J. H. Riddell of Winnipeg, as to when the line between the "institutional" case and the merely subnormal, Dr. Sinclair said that a child which could not be prepared for useful citizenship should be considered as best off in an institution.

Education and recreation of the Canadian child occupied the morning and afternoon sessions of the conference.

In discussing the recreations of Canadian childhood, Miss P. E. Mara of Victoria, British Columbia Commissioner of Girl Guides, stressed the character-making possibilities of games, recognized and encouraged by the Guides.

Addresses at the conference this morning will be delivered by Judge L. Jamieson of Burnaby, and by Judge Helen Macgill of Vancouver, Dr. May Beer, Winnipeg, and Dr. J. G. Mackay, New Westminster.

The afternoon session will be held at the Grosvenor Mountain Chalet following the civic luncheon. Dr. H. E. Young and Brigadier-General V. W. Odium will be chairmen of to-day's sessions.

Mission Circle Tea.—The Women's Mission Circle of Emmanuel Baptist Church is giving a silver tea to-morrow afternoon between the hours of 3 and 5, at the home of Mrs. J. A. Armstrong, 1533 Gladstone Avenue. A very pleasant time is anticipated.

Kumtiks Club.—Members of the Kumtiks Club are reminded of the rehearsal to be held this evening at the home of Miss Roberts, 321 Michigan Street. At this gathering songs will be practiced in preparation for the annual banquet to be held at the Empress Hotel on Saturday.

Lodge Held Meeting.—Lodge Princess Alexandra, Daughters and Maids of England, meeting was held in the S.O.E. Hall, W.P. Mrs. C. Smith presiding. There was a good attendance of members and several visitors from Lodge Primrose, including the W.P. Mrs. McKenzie. Two candidates were admitted and propositions for membership read at intermission. Mrs. Baker and Mrs. Bell delighted all with their singing of "Hymns." Much business was transacted, including a splendid report from Mrs. Baker on the silver tea held at her home. Plans for a garden party and tea room at the Willows Fair are progressing, both functions being in capable hands of Conventions Mrs. Reed and Mrs. Coldwell. At the close of the meeting ice cream and refreshments were served by Mrs. Shingleton, convener. Mrs. Bell and Mrs. Watson. Members wishing to visit Vancouver lodges are asked to telephone 14168 for particulars.

SOCIETY

Mr. and Mrs. Mitchell Cherniavsky and their children are guests at the Empress Hotel for a few days.

Mr. Tom Barnard of Nanaimo, was a visitor in Victoria yesterday on his way home from a few days visit to Seattle.

Mr. Harry Westlake of Vancouver, formerly of Victoria, was a holiday visitor to this city.

Mr. Charles L. Shaw of Vancouver, was among the holiday visitors in Victoria during the week-end.

D. G. Hughes, who came down from Duncan for the week-end, returned yesterday.

Mr. and Mrs. Douglas Colquhoun and small sons of Vancouver spent yesterday in Victoria.

Mrs. Oscar Sommer and children, Superior Street, left to-day for Langford Lake to spend the Summer months resident there.

Mrs. Leonard Higgs of South Pender Island is visiting in Victoria as the guest of the Misses Russell, Boyd Street.

Mrs. Bralstead of The Pas, Manitoba, is visiting in Victoria as the guest of her mother, Mrs. R. L. Alexander, Oscar Street.

The many friends of Mrs. E. Waller will be pleased to learn that she has so far recovered as to be able to leave the Jubilee Hospital.

Mr. Douglas Cree and Mr. Leslie Inglis of Chemainus spent yesterday in Victoria as the guests of the former's mother, Mrs. A. Cree, Island Road, Oak Bay.

Dr. and Mrs. Douglas Hunter will entertain at dinner this evening at the Union Club prior to the "At Home" being given at the Crystal Garden by Mr. and Mrs. Herbert Wilson.

Dr. W. T. Barrett, Douglas Street, and Mr. A. T. Goward returned to Victoria yesterday from Qualicum, where they spent the week-end as the guests of General and Mrs. May.

Mr. and Mrs. Pearson of New Westminster have been visiting in Victoria for a short time as the guests of Mr. and Mrs. Joseph Hunter, Government Street.

Mrs. W. H. Rowlands, Phoenix Place, accompanied by her granddaughter, the Misses Bay and Owen Rowlands, returned to Victoria on Sunday from a short trip to Seattle and Vancouver.

Lady Foster, wife of Sir George Foster, will visit British Columbia shortly, arriving from Ottawa on June 1. She will be the guest of Mrs. Orr-Ewing at Cameron's Point, Okanagan Lake, for a time before coming to the Coast.

Miss Mary Moe, daughter of General and Mrs. Noel Moe, of the past few weeks, will be among the debutantes presented at the second court of the season, to be held by the King and Queen at Buckingham Palace to-morrow.

Mrs. J. P. Publow of Calgary, who has been visiting in Victoria as the guest of her son and daughter-in-law, Mr. and Mrs. G. F. Publow, Acton Street, left this afternoon for the mainland on her way to her home in Alberta.

Mr. and Mrs. H. G. Lawson will entertain at dinner this evening at their home on Poul Bay Road, prior to the "At Home" given by Mr. and Mrs. Herbert Wilson at the Crystal Garden. Dr. and Mrs. J. W. Lennox will also be hosts at a dinner party at their home on Rockland Avenue.

Mrs. C. Vernon Vickrey of New York, who has been spending the past few weeks with her mother, Mrs. David Spencer, Moss Street, left to-day for San Francisco to join Mr. Vickrey. They will sail shortly on a world tour in the interests of the Golden Rule Association, of which Mr. Vickrey is the founder and president.

Mrs. John A. Davidson, 956 Heywood Avenue, gave a delightful birthday party on Monday afternoon, May 23, in honor of the twelfth birthday of her daughter, Suzanne. An enjoyable afternoon was spent in games and music. Among the invited guests were her classmates from the Poplar School, including Elsie Friend, Violet Murray, Joyce Goggin, Phyllis Gibson, Marjory Scharret, also Vera Cookson, and personal injuries.

JUNIOR RED CROSS OFFICIAL COMING

Miss Elsie G. Benedict, International Director, Here June 2

An interesting and very able woman who will make a tour of Canada in June, en route from her home in California to the Red Cross headquarters in Paris where her work lies, is Miss Elsie Graves Benedict, international director of the Junior Red Cross in the League of Red Cross Societies of the world. This order of child health workers now numbers 10,000,000 or more in thirty-two countries, so that Miss Benedict finds little time to re-visit her old home in Pleasanton, California, where her father is a prominent banker, and from where she went north in 1919 to do service with the American Red Cross in Europe.

Miss Benedict, who is a woman of many accomplishments, with a charming personality, has had, during the past few years, an unusual number of opportunities to collect both information and experience in various foreign lands. Of these she has so thoroughly availed herself that to-day she is not only an executive of outstanding ability, but is a writer of talent and a citizen of the world with a great fund of fascinating knowledge of international sociology and affairs.

A quiet but pretty wedding was solemnized at the manse, 20 George Road, on Monday evening, May 23, when Mr. Fred Taylor was united in marriage to Miss Margaret Harriet Gordon. The bride was given away by her father, Mr. Taylor, of the R. H. Hooper. The ceremony was performed by the Rev. Daniel Walker of the Gorge Presbyterian Church, and was witnessed by a number of friends. The bride and bridegroom left in the evening for their honeymoon. They will make their home in Victoria.

On Friday evening a pretty wedding took place at "Brendal," corner of St. Patrick Street and Windsor Road, the minister's residence, where a large assembly of intimate friends of the principals gathered to witness the ceremony by the Rev. Dr. Campbell, which made Miss Ivy Beverley Hanbury the bride of Mr. David Essler, both of this city. The bride who was given in marriage by her father, Mr. Charles Hanbury, was very pretty in a gown of embroidered fawn crepe de Chine and picture hat to match carried a bouquet of Ophelia roses and lilies of the valley, and was attended as bridesmaid by Miss Rachel Essler, the bridegroom's sister, who was in a frock of blue and white. The bride and groom left for their honeymoon on Saturday, May 28, at Oak Bay Park, Willows Beach, commencing at 4 p.m.

A sports programme under the capable leadership of Miss D. Hay will be held between 4 and 6 o'clock. Each leader and girl is requested to bring their own refreshments and supper will be eaten at 6 o'clock. Around a bonfire in the evening, Mr. Pearce of the Dominion Astronomical Observatory will give a talk on the stars. Miss Fountain, Provincial Girls' Work Board Secretary, expects to be in Victoria for the picnic, and it is hoped that as many leaders and girls as possible will be present.

C.G.I.T. PICNIC IS TO CLOSE SEASON

The last meeting for the season of the Victoria Girls' Council will take the form of a picnic for all Canadian Girls in Training and their leaders, to be held on Saturday, May 28, at Oak Bay Park, Willows Beach, commencing at 4 p.m.

A sports programme under the capable leadership of Miss D. Hay will be held between 4 and 6 o'clock. Each leader and girl is requested to bring their own refreshments and supper will be eaten at 6 o'clock.

Around a bonfire in the evening, Mr. Pearce of the Dominion Astronomical Observatory will give a talk on the stars. Miss Fountain, Provincial Girls' Work Board Secretary, expects to be in Victoria for the picnic, and it is hoped that as many leaders and girls as possible will be present.

Lodge Dance.—Under the auspices of Lodge Primrose No. 32 Daughters and Maids of England, a dance will be held in the Sons of England Hall, Broad Street, on Friday evening, May 27, from 8.30 till 11.30.

MR. AND MRS. BUTCHART LEAVE SOUTH FOR HOME

San Francisco, Calif., May 23. Withward evidence of injuries suffered when their auto was wrecked near Woodland, a week ago, Mr. and Mrs. R. P. Butchart sailed for Victoria yesterday on the Admiral Innes Emma Alexander. Mr. Butchart, said that he and Mrs. Butchart narrowly escaped death when their auto was crowded off the highway and turned over three times. They were in the hospital at Woodland for four days, and were swathed in bandages when they went aboard ship. They were more concerned over the loss in the wreck of an English Bullfinch they were taking home than over their personal injuries.

May-time Tea.—Mrs. M. L. Smith will conduct a May-time tea at the Forum rooms, Pandora Street, near Douglas Street, Thursday afternoon, 2.30 to 5 o'clock in aid of the Progressive Spiritual Mission. There will be tea cup and card readings, also amusing contests for prizes.

Modern Women's Hygiene

Ends worries of old ways
Discards like tissueBy ELLEN J. BUCKLAND
Registered Nurse

SHEER gowns and gay frocks, business and social exactness under the most trying of hygienic handicaps are a comfort women of today enjoy.

This because old hygienic ways are being widely supplanted by a new way called Kotex.

Kotex discards as easily as tissue. Thus no laundry, no embarrassment of disposal.

It's 5 times as absorbent as ordinary cotton "pads." Thus you wear lightest frocks; dance, motor, go for hours without a moment's doubt.

Deodorizes, too; thus ending all fear of offense. It's 10 better-class women now employ this way. Doctors advise it. Nurses widely urge it. Obtain at any store without embarrassment simply by saying "Kotex."

Try today and you'll never again risk the uncertainty of old ways. Box contains 12. Be sure you get the genuine. Only Kotex itself is "like" Kotex.

KOTEX

No laundry—discard like tissue

THE LABEL IS RED AND WHITE

Carnation Quality is Protected at the Source

No process in the world can make good milk out of milk which is poor to start with.

So Carnation's milk supply is protected at the source—the farms. Carnation quality begins with the cow.

The Carnation Milk Farms are operated solely to improve the Holstein breed and enable dairy farms to produce more better milk.

The Carnation Field Force spends its entire time selecting the farms from which we obtain milk and inspecting them regularly.

These great investments of time and money aim only at one result—to keep Carnation the world's first choice in evaporated milk—double-rich, full-cream flavored, pure.

Order Carnation Milk from your grocer—several tins or a case of 48 tins.

Carnation Milk

"From Contented Cows" Produced in Canada

TWO SIZES—TALL AND SMALL

MENUS FOR THE FAMILY

By SISTER MARY

Breakfast—Grape fruit, creamed eggs on toast, bran muffins, jelly, milk, coffee.

Luncheon—Stuffed tripe, toasted muffins, sliced fresh pineapple, plain drop cakes, milk, tea.

Dinner—Chicken pie, buttered asparagus, head lettuce with Roquefort cheese dressing, rhubarb trappes, sponge cake, milk, coffee.

STUFFED TRIPE

One and one-half pounds tripe, 1 small onion, 2 teaspoons butter, 1/2 pound bulk sausage, 2 tablespoons chili sauce, 1 teaspoon salt, sifted cracker crumb, egg.

Wash tripe through at least three waters. One teaspoon baking soda

can be added to the last water. Put tripe into stew pan, add boiling water to cover and simmer at the boiling point for one hour. Drain. Dry as thoroughly as possible. Melt butter and add onion finely minced. Cooked onion until a straw color. Add to sausage with chili sauce and salt and work until a smooth paste is formed. Cut tripe into oblong pieces about 2 inches wide and 5 inches long. Spread with sausage mixture and roll tightly. Fasten with wooden toothpicks. Roll in cracker crumbs, dip in egg slightly beaten and roll again in crumbs. Drop into deep hot fat and fry until rolls are a golden brown on all sides. The fat should be hot enough to brown an inch cube of bread from the soft part of the loaf in sixty seconds. Serve tripe with shredded cabbage and pickles dressed with French dressings.

AT THE THEATRES

FIVE CLEVER ACTS
ON COLISEUM BILL
"CREATE ENTHUSIASM"

At the opening performance at the Coliseum last night, the five acts of vaudeville were a decided hit. Each act received hearty rounds of applause for the clever entertainment they provided. The audience was well pleased, and when a Monday night audience is pleased, it assures success for the show for the rest of the week. The closing act, billed as "Oh, My," the world's child wonder contortionist and specialty dancer, held the packed house spellbound as she went through the clever routine of her act. For her age this little girl is undoubtedly the cleverest contortionist that Victoria has ever witnessed. On the screen is William Collier Jr., playing the part of a sailor in Herbert Brenson's production, "Goodbye Mr. Twenty-Cent." On the screen, is surrounded with a coterie of the hardest seamen that ever stepped from a Jack

Where To Go To-night

Capitol—"Venus of Venice."
Columbia—"Johnny Get Your Hair Cut."
Dominion—"The Beloved Rogue."
Variety—"The Better Ole."
Coliseum—Vaudeville.
Playhouse—"A Knight for a Day."
Crystal Garden—Swimming and Dancing.

London thriller thanks to the genius of Paramount's casting director, J. P. McEvoy's play, "The Pottery," was flashed on the screen with W. C. Fields starred as Pa Potter.

AUTHOR IN FEATURE
ROLE OF HIS OWN
PLAY AT PLAYHOUSE

Guy Dupres, the leading character in "A Knight for a Day" at the Playhouse this week, gets into many unusual situations in his extraordinary ability as an artist, but the role is in the capable hands of Jimmie Howard, who is also the author of the piece.

Pauline Starke, brown-haired screen beauty, has the leading, feminine role opposite Ben Lyon in "The Perfect Sap" now at the Playhouse. Lloyd Whitlock, who is classed as one of the handsomest of the screen heavies, acts "heavy" in this flicker. Virginia Lee Corbin and Sam Hardy are also on the list to emote in this production. Miss Corbin, a striking blonde, has one of the prominent roles. "The Perfect Sap" was screened from an adaptation of Howard Irving Young's stage play called "Not Herbert."

JACKIE COOGAN IS
NOW A CADET AT
LOS ANGELES SCHOOL

Cadet John Leslie Coogan is now on the roster of the Urban Military Academy in Los Angeles, which means that Jackie Coogan is enrolled in that school for the current semester. Jackie may have the means to hire a regiment of valets, footmen, secretaries and other personal attendants, but for the next school term he will make his own beds, shine his own shoes and open his own doors.

Jackie entered the academy on October 26, the twelfth anniversary of his birth. For eight years the young star

of the movies has taken his daily lessons with a private tutor, and his attained a grading much in advance of the average youth of twelve years. After Jackie's hair was cut his parents thought it best for him to live in daily association with boys of his own age. Jackie has never been a pampered boy, and he swings a mean right and a dangerous left, and can take care of himself.

Jackie received a leave of absence for the duration of the picture "Johnny Get Your Hair Cut," the most recent of young Coogan's Metro-Goldwyn-Mayer pictures, will show at the Columbia Theatre to-day for the last time.

TALMADGE SISTERS
CONTRAST CLOTHES IN
PICTURE AT CAPITOL

A most violent contrast in clothing was revealed by the famous Talmadge sisters, Norma and Constance, during recent production activities in Hollywood.

Constance, portraying a ragamuffin canal gypsy in her new comedy drama, "Venus of Venice," was garbed in a nondescript costume of tatters on the same day Norma was wearing a two-thousand-dollar Parisian evening gown in a sequence of her modern screen version of "Camille."

"Venus of Venice," a rollicking tale of the Italian city of waterways, produced by Joseph M. Schenck for First National release, is showing this week at the Capitol Theatre. "Camille" is coming soon.

ALL WORE HELMETS
DURING FILMING OF
REALISTIC BATTLES

Not only the soldiers who appeared before the camera but the technical staff as well, donned helmets during the filming of some thrilling battle scenes in Warner Bros. production of "The Better Ole," at the Variety this week, starring Syd Chaplin and directed by Charles F. Reisner. They did not do this, however, until after the first side of a house in the little French village had been blown off and Kitty Scott, the script girl, became the victim and the horrible ex-ample.

Someone had thoughtfully furnished her with a helmet which she slung over her arm and proceeded to forget, because of the excitement and the numerous notebooks, pencils, etc., which she was also carrying. Kitty never wears a hat anyway, so BAM! came the first explosion and set everyone to dodging and ducking. They all managed to get missed except Kitty, who, incidentally, was the only woman on the set, and a big cloud descended squarely on her head.

FOLLIES BEAUTY IS
AT THE DOMINION IN
"THE BELOVED ROGUE"

It is a far cry from the gay whirl of the Ziegfeld Follies, jazz-inspired presentation of the newest in song and dance, to the romantic, colorful, yet cruel Paris of the time of Louis XI. Yet such a gap is bridged by Jane Winton, who, not so long ago a reigning beauty of the Follies, now appears in support of John Barrymore in "The Beloved Rogue," at the Dominion Theatre.

In "The Beloved Rogue" the great Barrymore restores to life on the screen Francois Villon, vagabond poet and creature of impulse, who, dying at a comparatively young age after a brief spell of strenuous living, left the world enriched by the brilliant creations of his facile pen.

Seeking an actress to fill the role of "The Abbess," a somewhat boy-dish character of the Paris streets, Barrymore personally selected Miss Winton from a score of candidates. His choice is amply justified by her ease and grace with which she enters into the spirit of the part.

NEWS IN BRIEF

Dr. A. F. Barrow will deliver a popular health lecture, in the New Thought Temple this evening at 8 o'clock. The subject will be "Organic Rectals."

Tuesday, May 31 will be marked by Pioneer Banquet, given by the Ladies' Aid Society of Metropolitan Church in commemoration of its fifty-seventh Anniversary.

The Ascension Day service to be held at 10:30 o'clock to-morrow morning in St. John's Church will be conducted by the Rev. P. A. P. Chadwick. It was announced to-day.

At the Boy Scouts garden party to be held at Government House on Saturday, Miss Annie Sharp will dance the Highland fling, accompanied on the bagpipes by Pipe-Major Calmeron.

For breaking the parking regulations in regard to a fire hydrant Allen, Georgetown paid a fine of \$5 in the city police court this morning. Thos. Mercer was fined \$1 for parking over the specified hour.

The executive committee of the Diamond Jubilee group meets at 8 o'clock Thursday, to hear reports from sub-committees. The meeting will take place at the Government Street headquarters of the organization.

The question of band concerts will be canvassed at a session of the city parks committee this afternoon, under Alderman John Harvey. At Beacon Hill Park the new bandstand will be used, in place of the original structure, now to be turned into an aviary.

A declaration varying the terms of a trust settlement made by Alexander A. Goodwin is sought in a suit brought before Mr. Justice Murphy in Supreme Court this morning, in which A. A. Goodwin and L. A. Goodwin appear as plaintiffs, and the Royal Trust Company, limited, as defendants. The Royal Trust Company is added to the suit in the capacity of trustee for the settlement, solely. Norman W. Whitaker appears for plaintiffs, and D. P. W. Mansfield for the Trust Company.

The corner stone of the first Methodist church in Victoria was laid on August 15, 1859 by Sir James Douglas, the first governor of this Western Province, and the church dedicated on May 20, 1860. In recognition of these two events there will be held on Sunday the fifty-seventh anniversary of this dedication, and a link in the first governor's association with the laying of the corner stone will be made by the attendance of His Honor The Lieutenant-Governor and Miss Mackenzie at the service on Sunday morning next.

July 7 will bring to Victoria an excursion by special train from Eastern Canada, under the auspices of "The New Outlook," the official organ of the United Church of Canada. The train will be known as "The New Outlook Confederation Special" and two hundred persons will travel across Canada and return among whom will be representatives of all provinces between British Columbia and the Atlantic. The excursionists will stop at the Empress Hotel. Elaborate preparations are under way to provide the visitors with ample means for viewing the city and its environs.

GOVICHAN CHILDREN OBSERVE EMPIRE DAY

Scholars of District Assembly on Duncan School Grounds

Duncan, May 25.—At the request of the Govichan Chapter, Imperial Order Daughters of the Empire, all the school children of the district assembled on the grounds of the Duncan Consolidated School, on Monday afternoon, for a short ceremony in commemoration of Empire Day.

The standard of the order was held by the standard-bearer, Mrs. H. A. Gardner, whilst all marched past. Forming a square in front of the school they were addressed by Captain R. T. Barry. He impressed on the children the reason for remembering this day and the meaning of the word "loyalty," exhorting them all to try and grow up good citizens and live up to the high ideals set for them in the past.

Mrs. H. N. Watson, the regent of the chapter, also spoke a few words.

The ceremony opened with the singing of "O Canada," and closed with the National Anthem.

OBITUARY

The death occurred at an early hour this morning at the Royal Jubilee Hospital of Thomas Lee, aged fifty-four years, eldest son of the late Thomas and Marietta Lee of 1927 Lee Avenue. The late Mr. Lee was a native son, but had spent most of his life in the Yukon and at Dawson, where he was interested in mining. He leaves to mourn his loss one brother and two sisters, two nieces and one nephew, besides other relatives. The funeral will take place Friday afternoon at 2:30 from the Thomson Funeral Home. Interment will be made in the Royal Oak Burial Park.

The funeral of the late Mrs. Jennina Edles, Stinchell, who passed away at her home on Helmsden Street on Sunday last, was held this morning from the chapel of the B.C. Funeral Home, at 10:30 o'clock. Rev. C. M. Tate officiated at the service, assisted by the Rev. J. Robert B.A. after which interment was made in the family plot at Ross Bay Cemetery. The hymns sung were "Nearer My God, to Thee" and "Abide With Me." Many friends and relatives were present at the service and the many beautiful floral tributes which covered the casket and hearse showed the esteem in which the late Mrs. Sinclair was held by her many friends. The following acted as pallbearers: J. Watson, W. Watson, T. Watson, W. Ackerman, D. Ackerman and T. Ackerman.

BRITISH EMPIRE CHAMPION BRASS BAND COMING HERE

No greater recommendation could be given any band than to state that they were winners of the most coveted trophy offered anywhere in the British Empire, that of the English championship trophy, a \$10,000 gold shield, which was won by Albert H. Baile and his Australian National Band in England in 1926. This remarkable aggregation of musicians consisting of thirty soloists of international reputation is scheduled to be heard in Victoria for a series of two concerts under the auspices of Lester Patrick. The concerts will be held in the Arena, Saturday.

A few excerpts from newspaper criticisms taken from all parts of the world, would be interesting reading in view of this approaching engagement in our city. The Rochester (N.Y.) Herald says: "Better than any other band ever heard here." Mercury of Durban, South Africa, says: "The performance was nothing less than brilliant, remarkable for its grand organ effect." From their own home country comes a statement of The Argus of Melbourne, viz: "Perfect symphony orchestra." The Toronto Canada Star-Telegram says: "The finest brass band in the world." In fact, every large centre included in the late world tour of the Australians was unanimous in their praises.

Albert H. Baile, the conductor, has had thirty-five years of the greatest experience. His record of achievement in the world of music is most interesting. He is recognized as being one of the world's greatest conductors.

SEES WONDER MINES IN NORTH B.C.

American Mining and Milling Director Urges Lead Smelter on This Coast

There has never been an area that has greater possibilities than the Portland Canal district in northern British Columbia. Mr. J. H. Tonkin, director of the American Mining and Milling Company, who is at the Dominion Hotel here to-day, expressed his opinion of the area. Mr. Tonkin said that he had twenty years of development in the Butte district and was an associate of the late John McMartin, who, with Timmins, took over the Hollinger in northern Ontario.

"There are now at least twenty promising producers in this northern British Columbia district, and there exists there all the elements of large and independent mining and smelting," Mr. Tonkin said. "Within a radius of twenty miles there exist various surface bodies of ore of widths varying from two to five feet and traces of length from 300 to 3,000 feet. In some cases development has reached a depth of over 300 feet and geologically these showings are exposed to a depth of 2,000 feet, with values running from \$5 to \$300 a ton, and in some cases much higher.

"Generally speaking these deposits represent a supply of every kind of ore necessary for the successful operation of a smelter. There is no lead smelter on the coast north of San Francisco. The nearest is at Trail, B.C., a distance of 400 miles inland from Vancouver, and requiring a transportation charge of approximately \$8 a ton. A smelter for this coast district would be located somewhere north of Victoria."

Mr. Tonkin said that for large scale development of the Portland Canal district, and to make its ore supply available readily for the smelter, the twenty miles of road and traces of ore, as projected by Sir Donald Mann before the war, should be built. Mr. Tonkin said that his company has entered the district and has undertaken the development of the Fish Creek claims, on the Premier Gold Mountain. He said that the George Copper hill, which takes in the Bear River mines, Gray Copper properties and the George Copper mine, which was recently taken by the Consolidated Mining and Smelting Co., and on which development will be started in June, will develop into one of the half dozen greatest mines on the continent.

BOOM IN MINES AT BEAVERDELL

The mines on Wallace Mountain at Beaverdell, B.C., are experiencing a season of unprecedented activity, with major operations being conducted at the Bell, Westwood and Eastern all adjoining properties, and situated on the same series of veins, according to Roy Clothier, mining engineer, who has just left on his return to Beaverdell after a week at the coast filling out for the season's supplies.

"Bell, Sally and Wellington are now paying handsome profits," Mr. Clothier said. "Their ore bins are full of exceptionally high grade ore, and the trucks and wagons are being worked long hours rushing the ore to the railway to relieve the congestion at the mines.

"High grade ore has been encountered in the bottom level of the Beaverdell mine, and it is expected that the mill will resume shipments in the near future. An extensive programme of development has been inaugurated at the mine, including sinking the shaft an additional 100 feet and drifting on the veins on the present level and on the lower levels which are to be opened.

"The ore of the mountain are high grade silver-lead, the general average value of the ore shipped being about \$175 a ton.

"In addition to these four mines, there are ten other properties being operated on Wallace Mountain, of which at least four will ship ore this summer.

Beaverdell is on the Kettle Valley Railway at a distance of 160 miles from the Trail smelter. The mines are situated from three to five miles from the railway, and are connected by motor roads."

REAR-ADMIRAL ARTHUR BROMLEY USHER TO KING

London, May 25.—The King has appointed Rear-Admiral Arthur Bromley, C.M.G., to be a Gentleman Usher in Ordinary to His Majesty, in the room of Mr. Percy Armitage, C.V.O., resigned. His Majesty has appointed Mr. Percy Armitage, C.V.O., to be an extra Gentleman Usher to His Majesty.

Burnside Bowlers Are Winners Over Duncan

Burnside lawn bowlers defeated the Duncan team yesterday by 43 to 35. The scores were:

Burnside	Duncan
Byng	Armour
Goodwin	Campbell
Handley	Campbell Jr.
Boyd (skip) 15	Wallace (skip) 26
Moules	Helen
Finley	Batstone
Reid	Lucking
Johnson (skip) 28	Lee (skip) 9

The tables, however, were turned in the case of the ladies, the Duncan bowlers defeating their more experienced opponents by the surprising score of 30 to 6, the details being as follows:

Duncan	Burnside
Mrs. Duncan	Mrs. Washburn
Mrs. Lucking	Mrs. Pass
Mrs. Richardson	Mrs. Alld. Hallam
Mrs. Campbell	Mrs. Dealey
(skip) 20	(skip) 6

There were no entries in Classes 5, 6, 7, 14, 15, 16 and 17.

The judges were Mr. W. W. Allison, Mr. A. G. Hardy and Miss Bruce.

R. J. SMITH DIED AT HOME IN SEATTLE

Seattle, R. J. Smith, assistant export and import agent of the Great Northern Railway here for the last three years, died at his home here last night. Previously he had been in the Winnipeg, Cincinnati, Pittsburgh, Nelson, B.C., Wenatchee and Spokane offices of the company. He was fifty-six years old.

ESSONDALE PATIENT PUT END TO HIS LIFE

New Westminster, May 25.—While working in a field adjoining the Essondale Mental Hospital Monday afternoon, Angelo Bertolotti, a patient for several years, determined to end his life and jumped beneath a passenger car of a passing train.

Death was instantaneous.

Bertolotti waited until the engine passed before taking his fatal dive.

LINDBERGH HONORED BY FRENCH CHAMBER

(Continued from page 1)

At Le Bourget 400 flying officers of the French Army and several platoons of soldiers assembled and did honor to Lindbergh last night. Overhead army and civilian, aeroplanes roared and went through every possible evolution. In the vast hangar, converted into a banquet hall, the uniformed fliers of France surrounded Lindbergh as he drank to his "one of us." The lanky young United States aviator took the glass handed to him and, lifting it, said: "I drink to France, most heroic and brave and home of the greatest aviators."

But he did not drink. He allowed the champagne to touch his lips but he swallowed none of it.

Empire Shopping Week is Observed

Brighton, Eng., May 25 (Canadian Press Cable).—Speaking here last night at a ceremony inaugurating Empire Shopping Week, Lieut.-Col. L. C. Amery, Secretary of State for Dominion Affairs, remarked that the Government had recognized the goodwill shown by the Dominions by granting sundry preferences.

"Whether we should extend that principle to the whole range of purchases," he said, "is a matter of political controversy which we need not enter into to-night. But my views are well known."

BARROW EXPECTS LIBERAL VICTORY

Confident North Okanagan Seat Will Return Government Supporters

Confidence of a Liberal victory in the forthcoming North Okanagan by-election was voiced by Hon. E. D. Barrow, Minister of Agriculture, who returned here to-day from the Interior fruit district.

"I have never seen the situation appear so favorable from the standpoint of the Government in the North Okanagan riding," Mr. Barrow said. "I am confident that Dr. K. C. Macdonald, the Liberal candidate, will win the seat back for his party."

Mr. Barrow explained that the Department of Agriculture was taking no part whatever in the contest between Vernon and Kelowna for the headquarters of the new fruit marketing control committee. Kelowna has been selected by the committee as its headquarters. Vernon interests are moving to have this decision altered in favor of their city.

and generally keeping in the public eye until the close of the festivities to-night. The same man has gone through the entire celebration and though within an inch of defeat on many occasions, so far has not been caught. In his pocket is an order for \$50 the treasure of one hundred pieces of silver awaiting the first person to challenge him, and he is waiting for the first person to challenge him.

Dancing with Hunt's orchestra from 9 o'clock until midnight provided an avenue for participation by the crowds, an opportunity that was used to the full.

In the roller hockey game, the Victoria West Juniors won from the St. Pat's by four to one. Joseph Delahunty refereed the game.

BLAZE OF LIGHT AT BEACON HILL FEATURE TO-NIGHT

(Continued from page 1)

The City Temple Band gave an excellent concert on Yates Street, where pupils of Miss Mona Jewell were applauded for playing numbers that were carried out with a swing. George Jones, Vancouver, aged fifty-three, who won the physical culture contest, was introduced to the crowds at the street carnival.

Result of the judging in the parade features of yesterday were as follows:

Best decorated tricycle and rider, under ten years—1, Harris Munroe; 2, Victor Merriman.

Best decorated bicycle and rider, under ten years—1, Mike Lawson.

Best decorated bicycle and rider—Boys under eight years—1, Gerald Smith; 2, Jack Munroe. Girls: Robert Neill.

Best comic character on bicycle—Men: Jacob Aronson. Girls under fifteen: Gilbert Schwaab. Boys under fifteen: George Schwaab.

Best comic character, walking, women—1, Agnes Spavin; 2, Ben Bowman.

Best comic character, walking, men—1, Francis Joubin; 2, William Spavin.

Best decorated four-wheel go-cart—1, Jack Green; 2, David Duncan. Children's mixed tableau, five or more characters—Phillip Lapp and associates.

Children's mixed tableau, two or more original characters—Norman Clark and assistant.

Special prize—1, Mrs. B. Bowman; 2, Louis Greenblatt.

Special children's prizes, best costumed boy and girl—half-holiday, following: George Schwaab.

Mr. Corville won the award for the best clown make-up.

There were no entries in Classes 5, 6, 7, 14, 15, 16 and 17.

The judges were Mr. W. W. Allison, Mr. A. G. Hardy and Miss Bruce.

THOUSANDS SANG IN PARK IN LONDON

London, May 25 (Canadian Press Cable).—Empire Day here was signaled by the biggest burst of sunshine and fair weather England has had this year. This was especially gratifying inasmuch as celebration of the day in Great Britain is still limited mostly to giving the children an opportunity of participating in simple pageantry, with half-holiday following. Special efforts, however, were instituted this year to interest the adults in the celebration.

EARL OF MEATH SPOKE

The Earl of Meath, the venerable founder of the Empire Day movement, delivered an address over the radio on the meaning of Empire Day, which was followed by national songs by the choir of the famous Temple Church and other music by British artists of repute from every part of the country.

THOUSANDS SANG

The biggest event was the community singing in Hyde Park, participated in by tens of thousands. It was led by the Grenadier Guards band, and the soloist was Dame Clara Butt.

The Canadian Chamber of Commerce held a luncheon at which Lieut.-Col. L. C. Amery, Secretary of State for Dominion Affairs, delivered an address.

ADDRESS BY PREMIER

During the evening Premier Baldwin spoke over the radio from a London station, and later the Bishop of London read special prayers.

In the course of his address Premier Baldwin said:

"We must devote our energies in the years to come—Tory, Liberal and Labor alike—to make our unity such a reality that men and women will regard the Empire as one, and it may become possible for them to move within its bounds, to New Zealand, Australia, South Africa and Canada as easily and freely as from Glasgow to London, or from Bristol to Newcastle."

He appealed to all Britons to help make the Empire a great force for righteousness in the world.

"The British Empire," he said, "is a spiritual inheritance which we hold

OTTAWA DISCUSSES NEW SOVIET POSITION

(Continued from page 1)

Before leaving here, Mr. Guerus announced he did not anticipate it would be necessary for his commission to cease operation here. He said the Soviet Trade Commission had a different status in Canada from that held by Arcos House in London.

Mr. Guerus admitted that in his offices were documents that could be construed in many ways, depending on the attitude of the examiner.

RAID NOT EXPECTED

He did not expect a raid on the Soviet premises in Montreal, he said, but would not attempt to stop the authorities should they desire to make a search. He would merely protest.

The Soviet Commissioner said he hoped to clear up the situation in his interview with the Premier in Ottawa. He pointed out that the Canadian Parliament had not ratified the Anglo-Russian treaty, but had "adopted it."

He thought that put the Soviet Commission here on a different footing.

Soviet Expects New Sympathy Among Nations

Moscow, May 25.—Rupture of relations with Soviet Russia by Great Britain is regarded here as an accomplished fact, since no doubt exists in the minds of the Soviet authorities that Parliament will approve the British Cabinet's recommendations.

Officials expect an appeal to be the awakening of sympathy toward the Soviet in Western Europe and the Far East.

The break is looked upon as an effort on the part of the British Government to start a conflict with the Soviet Union which, even in the opinion of the British Foreign Ministry, it is de-

THOUSANDS SANG IN PARK IN LONDON

London, May 25 (Canadian Press Cable).—Empire Day here was signaled by the biggest burst of sunshine and fair weather England has had this year. This was especially gratifying inasmuch as celebration of the day in Great Britain is still limited mostly to giving the children an opportunity of participating in simple pageantry, with half-holiday following. Special efforts, however, were instituted this year to interest the adults in the celebration.

EARL OF MEATH SPOKE

The Earl of Meath, the venerable founder of the Empire Day movement, delivered an address over the radio on the meaning of Empire Day, which was followed by national songs by the choir of the famous Temple Church and other music by British artists of repute from every part of the country.

THOUSANDS SANG

The biggest event was the community singing in Hyde Park, participated in by tens of thousands. It was led by the Grenadier Guards band, and the soloist was Dame Clara Butt.

The Canadian Chamber of Commerce held a luncheon at which Lieut.-Col. L. C. Amery, Secretary of State for Dominion Affairs, delivered an address.

ADDRESS BY PREMIER

During the evening Premier Baldwin spoke over the radio from a London station, and later the Bishop of London read special prayers.

In the course of his address Premier Baldwin said:

"We must devote our energies in the years to come—Tory, Liberal and Labor alike—to make our unity such a reality that men and women will regard the Empire as one, and it may become possible for them to move within its bounds, to New Zealand, Australia, South Africa and Canada as easily and freely as from Glasgow to London, or from Bristol to Newcastle."

He appealed to all Britons to help make the Empire a great force for righteousness in the world.

"The British Empire," he said, "is a spiritual inheritance which we hold

Great Exhibitions
Of Footwork Given
By Scottish Eleven

Touring Football Team Wins
First Game in Montreal 3-2;
Penalty Decides Issue

Ten Thousand Fans Greatly
Impressed With Ability of
Visitors Just Off Boat

Montreal, May 25.—Before an immense holiday crowd here yesterday, the touring Scottish soccer team defeated a representative Montreal eleven by a score of 3 to 2 in the opening game of the Scotsmen's transatlantic tour.

The crowd, estimated around 10,000, the largest that ever assembled to witness an association football game in Montreal, saw one of the finest exhibitions of the code that has been seen here. That the Scots did not have everything their own way is indicated by the score, and is also further emphasized by the fact that up until four minutes from the close of the game the Montrealers were leading by one goal.

EVEN AT HALF TIME

The contest opened with both sides playing carefully and the Scottish professionals giving some magnificent exhibitions of footwork. Their attacks were countered by a strong Montreal defence, and it was not until 37 minutes of the first period had gone that the breach was made when Cunningham registered the opener for the tourists. Montreal's comeback was swift, and four minutes later the locals had equalized when Baillie took a cross field pass on the fly and sent in a grounder that Hamilton failed to grab. The half-time interval saw the game even.

On the resumption Montreal, encouraged by the fact that they had held the Scotsmen, opened a strong attack and the game was held for a long time in Scottish territory. The visitors' defence was stout, however, and both Scott and W. McStay were always safe. A hard game was continued and half way through the period the locals were rewarded from a scrimmage in front of the goal put Montreal ahead by a shot that beat Hamilton.

WON ON PENALTY

The teams drew even four minutes from the close, when "Pat" Gallagher broke Brown, and two goalkeepers from the final whistle Cunningham clinched the game for Scotland by scoring from a penalty.

The teams were:
Scotland—Hamilton, Scott and W. McStay; Muirhead, J. McStay and Craig; Archibald, Gallagher, Munro, Cunningham and McLean.
Montreal—Brown, Barnes and MacAulay; Bardell, Miller and Green; Westwater, Green, Renfrew, McKenna and Baillie.
Referee—H. S. Lyons.

Crescents to Take
On Sidney To-night in
Commercial Game

Sidney and the Crescents will clash in a Commercial League ball game to-night at the Royal Athletic Park. The teams will get into action at 6:15 o'clock.

Steele will be on the mound for the millmen, while Al Munnery will do the heavy work for the Crescents.
The millmen, who are at present leading the league, having not lost a game, will be out this evening to add another victory. Through the meeting with Sidney the Crescents lost by 1-0, and now they are after revenge.

Favorites Still Going

St. Cloud, France, May 25.—Every player recognized as a possible semi-finalist in the international hard court championships to-day remained in play at the close of the first day's competition.

William T. Tilden and Francis Hunter, officially representing the United States; Henri Cochet and Jacques Brugnon, standard-bearers of the French tri-color, all advanced easily. Both Americans gained places in the third drawing with a victory and default each.

PLAY TO A DRAW

Nanaimo, May 25.—In the first match of the two-game series for the championship of the Pacific Coast soccer league New Westminster Royals and Nanaimo City battled to a 1-1 draw here this afternoon.

Centres Are Models

ADAM McLEAN

A small "un" and a good "un", that is McLean, outside left of Celtic, who will visit here with the Scottish footballers in June. A natural footballer, he stepped from the juvenile ranks into the Celtic team in 1917, and has never been out of it since except through injury. On the run, he holds the ball close to his toes, has a puzzling swerve and is a sure shot. His centres are models of accuracy, and to them his clubmate, McGraw, owes many of his goals, for he knows just where and when to expect the ball to fall midway between the posts. He may be asked to take a turn at outside right during the tour, for his right foot is as capable as his left. He has represented Scotland against Wales and Ireland, and played for the Scottish League against the English League. He was born in Glasgow.

Touch Gives Victory
To Vancouver Water
Team In Great Gala

Win in Men's Relay by Scant
Margin Sends Mainlanders
Home Happy

Audrey Griffin, Wellburn and
Stott Main Point Winners
For Locals

"A touch" was the margin by which the Vancouver swimmers scored a victory over Victoria's stars at the Crystal Garden last night before a full house. Although the final score was given out as 55 points to 54 in favor of the Mainlanders, the five-point margin is represented by about the one-inch which decided the men's relay.

Tommy Wellburn, swimming the last leg of the relay had about a yard to make up, and he thrashed the water in great style and all but made it. He just lost by a touch.
It was without doubt the most spectacular race of the night with the eight swimmers competing pretty well on a par with one another. The first leg was a dead-heat, with Vancouver gaining just a little on the second leg. Victoria lost considerably on the third leg which made it necessary for Wellburn to paddle furiously. The crowd was on its feet most of the time the race was on owing to the closeness of the event.

MAIN POINT WINNERS

Victoria scored points through victories by their two swimming stars, Audrey Griffin, who won the two women's sprint events, and Wellburn, who won the men's hundred. Wellburn did not get in shape to compete in the 200 yards, and as a result John Cameron of Vancouver captured the honor of Amateur Swimming Club, and Art Stott of Victoria was another good performer for Victoria, and won the diving honors easily. He far outdistanced his field and should be groomed for the tryouts for the Canadian Olympic team. Two other Victoria divers took the other two places in the diving. After the gala prizes were presented by J. D. McNeill, president of the Victoria Amateur Swimming Club, under whose auspices the gala was staged.

Homerun By Gandy
Converts a Defeat
Into Sweet Victory

Victoria All-stars Trailing in
Morning Ball Game Win on
Gandy's Blow

Port Angeles Reverse Tables
in Afternoon and Win Game
With Ease

After taking the morning game from Port Angeles by the score of 5-4, the Victoria All-star baseball team slipped in the afternoon fixture and the visitors walked off the diamond with a 15-6 victory tucked under their belts. Both games were full of thrills and the large crowds were given plenty of entertainment.

During the two games no less than four home runs were poked out, three by the visitors and one by the locals. Two of the homers were over the fence while the others went into deep right field.

HOMER DID IT

George Gandy and his brother, Harry, were the heroes in the morning game. The former turned what looked like a certain defeat into a sweet victory. Out of three times at bat "Harry" connected for three hits, including two doubles.

In the seventh inning Victoria was one run behind through Gandy knocking a home run in Angles half of the inning. Two men had passed out of the picture when Murry Dunn popped a single over third base. George Gandy came to the plate swinging what appeared to be a wagon tongue, and cracked the second ball into deep right field. After the outfielder had snared the ball Dunn and Gandy had both crossed the plate and the ball game was won.

STARTED OFF WELL

For three innings of the afternoon game a real pitchers' battle was on, but in the fourth and fifth innings the visiting teammen got to Parfitt for four runs. In the fourth inning White poled one over the fence with one runner on.

Victoria snatched a couple of runs in the fifth, on two hits and an error. In the sixth Port Angeles drove in two more runs and in the seventh inning Parfitt was replaced by Noble, who remained in the box one inning, during which time Angles collected six hits that went for nine runs. Noble hit the eighth in the eighth in favor of Art Webster, who held the visitors to a lone hit during his time in the box.

Victoria added another four runs in the eighth inning but Angles had too large a lead to overcome.

The box scores follow:

Umpire—McGregor.
Time of game—2:10.

Prize Beauties from the Male Point of View

These three men were the prize winners of the senior competition for "The Perfect Male" held at the Willows yesterday. The "beauties" from left to right are: E. Conner, Vancouver, first; George Jones, Vancouver, second; and G. Hughes, of Victoria, third.

CYRIL TOLLEY BEATEN BY YOUNG
NEW YORK GOLFER; HEZLET LOSES

Hoylake, England, May 25.—Edwin Haley, young New York golfer, achieved a striking victory to-day in his bid for the British amateur golf championship by defeating Cyril Tolley, former champion, by the margin of one hole.

Another likely championship contender also was eliminated when R. H. Jobson, of the Royal and Ancient Club, defeated C. O. Hazlet, of the Royal Port Club, 5 and 4.

Roger Wethered kept in the running, however, by defeating Ernest Hassall, 3 and 2. After being one down at the turn Wethered took six holes in succession.

A. Jamieson Jr. beat E. C. Hatton 4 and 3, while the young railway workman, William Sutton of the West Cheshire Artists defeated S. Robinson 3 and 2.

Vancouver Rider Is
First In Four Open
Holiday Bike Races

L. Marchiori, Speed Merchant
From Mainland, Stars; Boys
Escape Injury in Spill

Before a good crowd the races staged in conjunction with the May 24 celebration by the Victoria Cycling Club, were run off yesterday afternoon at the Royal Athletic Park. About twenty-eight riders took part in the races four of these being from Vancouver.

Leo Marchiori of Vancouver, a rider of great sprinting ability, came out victorious in all four of the open events. He is a fine rider and rated his field well at the way.

Owing to the looseness of the track a spill took place at the finish of the one mile novice race. Just as the riders were crossing the tape Beaumont and Woodley went down in a cloud of dust. They were fortunately not injured.

Great interest was manifested by the spectators and it proved that, with a first class track, bicycle racing could be made one of the most popular sports in the city. The track yesterday was in very bad shape. The prizes were presented by L. Tait.

The results were:
One mile, novice, first heat—1, F. Rose; 2, M. Woodley; 3, R. Kinsinger.
Second heat—1, R. Beaumont; 2, A. Morton; 3, L. Harmon.
One mile, novice, final—1, F. Rose; 2, R. Beaumont; 3, M. Woodley.

Quarter mile, open, first heat—1, L. Marchiori (Vancouver); 2, S. Jackson; 3, Bev. Peden.
Second heat—1, R. Lambert (Vancouver); 2, D. Macready (Vancouver); 3, Bill Peden.
Quarter mile, open, final—1, L. Marchiori; 2, R. Lambert; 3, Bill Peden.
Half mile, boys under 13—1, McLaughlin; 2, B. Fletcher; 3, Claude Peden.
Time, 1:32.

One mile, open, first heat—1, L. Marchiori; 2, B. Peden; 3, S. Jackson.
Second heat—1, R. Lambert; 2, R. Beaumont; 3, M. Woodley.
One mile, open, final—1, L. Marchiori; 2, B. Peden; 3, R. Lambert.
Time, 3:37.5 seconds.

Half mile, boys under 13—1, McLaughlin; 2, B. Fletcher; 3, Claude Peden.
Time, 1:32.

One mile, open, first heat—1, Bill Peden; 2, K. Lambert; 3, S. Jackson.
Second heat—1, L. Marchiori; 2, D. Macready; 3, R. Beaumont.
Half mile, open, final—1, L. Marchiori; 2, R. Lambert; 3, K. Lambert.
Time, 1:28.2-5.
Two mile, handicap—1, L. Marchiori; 2, Bill Peden; 3, K. Lambert.

Johnson's Return
Gives Washington
Stock a Big Boost

Senators Expected to Start
Climbing With Old "Barney"
Back on Mound Again

Pittsburgh Win Slugging
Match; Detroit Blast Uhle
Out of Cleveland Box

New York, May 25.—Baseball stock of the Washington Senators started on the upgrade to-day with the word that Walter Johnson, veteran pitcher of twenty seasons, is almost recovered from an ankle injury received in training camp this spring and ready to return to the slab. His return is seen as the added ounce of steam that will carry the Senators back into the first division after an unprecedented run of early season injuries and general hard luck.

"Barney" tried out his arm in an exhibition game against Baltimore of the International League yesterday and showed his old-time form in the five innings he worked, although one error-prone Baltimore player did lay on one of his slants for a homer.

When the veteran does take his regular turn on the mound, he will open his twenty-first major league season, and pitch his 75th game and 5,817th inning—all of them played in a Washington uniform. While this threat to the batting averages of American League heavy hitters was taking shape, the sluggers of both leagues were pounding other pitchers to the far corners of the lots.

A TRIPLE PLAY

The Pittsburgh Pirates led in the slugging with a 10-hit 11-1 victory over the Cincinnati Reds. Lee Meadows was the one pitcher who had things all his own way and held the Reds to just three safe blows. The Reds played errorless ball and made the first triple play of the season. Dreesen spearing Waner's flier, forcing Harmon to slide, and tossing to second to catch Smith.

In heavy hitting the Brooklyn Robins were not far behind the Pirates as they wallowed out fifteen safeties for a 7-5 win over the Phillies.

The only other game the rain did not wash out saw the Detroit Tigers blast the Cleveland Indians' hurling ace, George Uhle, clear out of the box in the fourth and win 3 to 0. In a steady pitching of Stoner, a promising youngster.

Los Angeles, May 25.—The lowly Hollywood Stars handed the league-leading Oakland a 5-2 trimming in the series opener here yesterday. Curtis Fullerton, after allowing the first two batters, Governor and Lary, to hit tightend up and blanked the visitors the rest of the way.

Early in the first quarter "Gotton" Brynjolfson, receiving a pass from Stanley, opened the scoring with a splendid shot. A few minutes later Sidney offered this when Segalebra scored a goal.

Early in the second quarter Patterson put the Capitols in front with two splendid goals. Shortly after Tamboline followed with another and towards the end of the stanza Patrick got another for the Capitols, making the score at this point 5-1.

Play speeded up in the third period, when Sidney went out after the Capitols. The play was mostly around the Victoria goal, but Sidney had difficulty in beating Albie McGregor in the local net. Three goals were scored and Victoria scored two of them.

In the final period Sidney could not get through for a score, while Victoria added two more on shots by Brynjolfson and Popham. Several times Sidney had good openings, but failed to capitalize them.

Sidney disappointed the fans in losing a somewhat crippled team. Their regular goalie, Simpson, and Ernie and Bill Munro were unable to turn out, while Joe Mitchell had a bad knee. Sidney might have made the game closer and more interesting had they been at full strength. The game was kept to ten men.

Announcement was made at the game that the Seattle Lacrosse Club would play an exhibition game here on June 3.

Edmonton Grads Win

Edmonton, May 25.—Edmonton Commercial Grads registered another convincing triumph over the Cleveland Newman-Turners ladies' basketball team here last night. The score in last night's game was 28-22 and for the two-game series: Grads 55; Cleveland 32.

Leaving for East

JOHNNY PROCTOR

To-morrow Victoria will lose her present tennis ace, as Proctor has been transferred to the head office of the Imperial Bank of Canada in Toronto. Proctor has been developed legs, and is one of the leading tennis players on the Pacific Coast. He will continue his game in Toronto.

Local Youth and Vet
Of Mainland Classed
As Best Male Figures

Ernie Peden Wins Junior Contest While George Jones is
Best of Seniors

Interesting Programme of
Sports at Willows; Horse
Races Thrill Crowd

Ernie Peden, square-shouldered and built like Adonis, brought the Junior "Perfect Male" honors to Victoria in a close competition held during the Empire Day sports at the Willows Oval yesterday afternoon. Peden's victory made it a fifty-fifty break with Vancouver in regard to the award of honors in their new and novel competition as George Jones, now fifty-three years of age, who twenty years ago won the honor of being the finest built man in Europe, was crowned king of the senior event.

Twelve "beauties" entered the senior contest and flexed their muscles and posed for the judges and the spectators, while eight one-looking lads blew out their chests and made their muscles look like knobby.

The contests aroused a great deal of interest and the awards met with approval. E. Connors, a friend of Vancouver, was second in the senior contest.

Peden, the junior winner, is a bike rider and diver of note. Last night the Crystal Garden was the scene of a place in the diving competition.

OTHER FEATURES

Other features of the meet were the motorcycle events and the horse racing. The local motorcycleists pulled off several trials that have never been seen before, such as curbsteering and titling the bucket. The audience got a great thrill out of the two-mile race, won by Bill Dillabough after a keen fight with Bob Shanks.

In the horse races exceptionally close finishes were witnessed and the crowd got just as much thrill out of the events as if they were betting on the bang-balls through the pari-mutuels.

The Empire Day Derby was captured by Tatters, Jack Ross up, after being closely pressed by Ucan. Royal Irish (Concluded on page 13)

COSTLY FRILLS!

Doting Parents Often Spoil a Good Young Citizen With Money

By OLIVE ROBERTS BARTON

The other day I met a woman I knew, at the telephone office.

She was sending money to her son at college. He had been home for the holidays and had gone back with his regular month's allowance in his pocket.

Besides that his ticket had cost him his parents anywhere from \$20 to \$30.

That was a little over two weeks before the episode of the telephone office and there wasn't a doubt that he had telegraphed that he already needed more funds.

I had seen him at Christmas, a fine-looking boy, as proud as Punch in his own coat and derby hat. He had had a jolly good time, going to \$5 and \$10 dances. He was very popular and any one could see that his parents lived in a beautiful home of vicarious glory. His father didn't mind his shiny coat, nor his mother her indifferent clothes. They boasted of the way they managed to give the boy his chance. They gloried in their sacrifice.

Now everyone knows the price of an education. And I made a mental calculation that over half of the yearly income of that couple was spent on the boy. I knew they had it figured so fine that whatever allowance they made him for spending money it was about their last nickel.

Any extra requests from him meant their necessities. Yet here was the mother, her face beaming with soft joy, in spite of the shadow of wonder I thought I saw there. What more could she do without to make up for it at home?

What the boy should have had at this psychological moment was a sharp pull-up on the reins instead of more money. Children have to be taught unselfishness. The best of them will make door-mat of their parents if allowed to grow up accustomed to having their own way. It is a matter of training, largely, unselfishness is.

If parents wish to live on insufficient food and in a house that is never quite warm, that is their business. What concerns society is the parents' right to ruin a good citizen.

Another thing, children should be grateful for an education without the modern expensive by-products. The by-products are taken too much for granted. They often cost more than the education itself.

During a terrible windstorm recently a stampede of a circus audience at Shepparton, Australia, was averted when the band played the National Anthem until the "big top" could be lowered.

"COMPANIES ACT"

TAKE NOTICE that Revercomb Bros. Limited intend to apply under section 38 of the "Companies Act," chapter 38 R.S.B.C. 1924, to change its name to "Whitaker and Revercomb Limited."

Why you need LIFEBOUOY--the purifying Toilet Soap

Think of the adventures of a coin--or a piece of paper money in a single day. Think how unclean a thing can become by passing from hand to hand.

And money is only one of the objects you often touch that are touched by other hands--objects that carry invisible but dangerous germs.

Millions have turned to Lifebuoy Soap as a prevention against infection and as an all-sufficient, delightful Toilet Soap.

The orange red cake in the orange red carton is a familiar sight in countless homes where the truth is recognized of the old axiom that "an ounce of prevention is worth a pound of cure."

FAMILY PROBLEMS TO BE DISCUSSED BY SOCIAL WORKERS

Concluding Session of Child Welfare Conference Here Friday

Social welfare workers from all parts of Canada will be in Victoria on Friday for the concluding sessions of the sixth Canadian conference on child welfare, which opened in Vancouver on Monday. The sessions in Victoria will deal with two phases of the work: special understanding of behavior problems, and normal family life in a normal family home.

Mr. J. H. Manson, Attorney-General, will preside at Friday morning's session, commencing at 10 a.m.; in the afternoon at 2.30 the Bishop of Columbia will take the chair; and in the evening at 8.15 Hon. William Sloan, Provincial Secretary, will preside. The complete programme for the day follows:

10 a.m.--The Juvenile Court at Work in the Community: Probation and Related Services. Judge Choquette, Judge Juvenile Court, Quebec City.

10.30 a.m.--More Intelligent Understanding of Child Psychology. Dr. J. Dobson, Vancouver, B.C.

10.40 a.m.--Discussion.

11.15 a.m.--Discussion of report resolutions committee.

2 p.m.--A Community Programme in Child Protection. W. A. Weston, Director, Winnipeg Children's Aid Society, Winnipeg, Man.

2.30 p.m.--Co-operation between the Family Agency and the Children's Agencies. R. W. Hopper, Social Service Commissioner, Ottawa, Ont.

2.40 p.m.--The Reduction of Permanent Custodial Care by Temporary Care. E. C. McLeod, Superintendent of Neglected and Dependent Children, Edmonton, Alta.

3 p.m.--Discussion.

8.15 p.m.--The Provincial Aspects of the British Columbia Child Welfare Survey Report.

A Race of Monkeys and Parrots

By OLIVE ROBERTS BARTON.

Along comes another educator attacking the military discipline of the public schools! He takes exception to the fact that children have to march in rank, stand so many inches apart in class, sit in stiff chairs in long, straight rows, recite in turn, and all the rest of it.

He stresses the point that military discipline makes followers, not leaders. Soldiers and pupils alike learn to do unquestioningly the things that they are told. It puts no premium on initiative, says he, and the product of our public school system will turn us into a nation of parrots and monkeys, always waiting and watching and listening for someone to imitate.

Well, like all radical statements, it contains a grain of truth. One cannot but agree that any public system of training, where millions of children are involved, must forego the privilege of individualistic development, and turn out countless numbers of a pattern. We concede the point. And it is probably true also that where a blanket system of education is necessary, as it must be where countless numbers are concerned, children have more or less instilled in them the idea of obedience rather than leadership.

But we need not agree when he goes on to state that the training they thus receive in public school has no preparatory quality for subsequent experiences in life--that they do not learn the independence that surmounts difficulties and develops character.

Instead, we might remind him that life is the sternest of military camps. If we do not observe absolutely the laws of life, physical laws, moral laws and ethical laws, the punishment is far more severe than that meted out in the school-room. Self discipline must come before self-aggrandisement, and character can never be great unless it recognizes and bows to law before it permits itself to govern.

The weak man who knows not the respect due to authority is likely to tyrannize once he is in a position of authority himself. The best officers are those who have in themselves the qualifications of self-control and obedience.

Nursing Profession And Its Requirements

By DR. MORRIS FISHBEN

Nursing is one of the most useful and interesting of modern professions. The trained nurse who studies in a regular hospital training school follows a regular curriculum through which she obtains much information relative to the care of the sick and much practice in actual attendance upon them.

The better schools of nursing require graduation from high school before entrance in the work; a few even demand some college education. QUALIFICATIONS

There is developing a general opinion to the effect that the years of high school work give sufficient information to qualify a girl to take up nursing, at least to the point at which she will devote most of her time as a practical nurse in the actual care of patients.

On the other hand, such an amount of education certainly would not fit her for the position of superintendent, nor for practice in some of the many specialties of nursing which have recently come into use.

Among the subjects that will prove of special value to those who propose to take up nursing are biology, hygiene, chemistry, household sciences, including cooking, nutrition and house-keeping and some economics.

CORRESPONDENCE SCHOOLS

There are a number of correspondence schools for the study of nursing. There are no state registration boards in nursing that will accept the graduates of correspondence schools as equipped to do this work.

It is no more possible to learn the nursing care of the sick by correspondence than it is possible to learn scientific medicine by correspondence. A good nurse should have an alert and an understanding mind, and should be a person of sound and careful judgment.

FIVE ARE GUILTY OF MANSLAUGHTER

Movie Actor Was Shot During Liquor Drinking Party in Hollywood

Los Angeles, May 25.--Mrs. Sarah Kerrick and four others were found guilty of manslaughter here late yesterday for the killing of Tom Kerrick, motion picture actor, at a drinking party in Hollywood.

Sentence will be pronounced next Friday.

A fling at "Hollywood's wild parties and killings" was taken by a spokesman for a group of the jurors after they had been discharged.

"We simply couldn't do anything else but find the defendants guilty--all of them--under the law and instructions from the court," said the juror.

"We felt it was about time to call a halt on Hollywood's wild parties and killings. To have returned a verdict of not guilty in this case would have been to put a stamp of approval on such disgraceful carousing. Under the law, if one was guilty all were guilty, even though only one person may have done the actual shooting."

The jury consisted of nine women and three men.

Judge Carlos Hardy had instructed

AND THE POOR FISH FOUGHT--"Was an evil day for those fighting trout when they took Gene Tunney's hook! All their gameness was unavailing with the champ scrapper's experienced iron hand at the other end of the line. Gene indulged in his fondness for fishing, as exclusively pictured here, upon a recent trip to the wild Macassa woods north of Montreal, Canada."

the jury that under the California law, where three or more persons were assembled and engaged in an unlawful act, if one member of that assemblage should be killed as a result, then all members of the group were responsible equally for the killing. The fact that

the members of the party were intoxicated was not an excuse, he instructed. Only half-a-dozen ballots were taken in reaching the verdict, members of the jury said.

The trial of the quintet, each member of which attempted to throw the blame for the shooting on another, was unusual in that the defence attorneys, through cross-examination, conducted almost wholly the prosecution's case.

When the time came for summing up by the state, no attempt was made by the prosecutor to fix the blame on any one, but he asked that all five be convicted.

Merrick was shot to death early on the morning of April 9 in his Hollywood flat. Widely varying stories of how and who fired the shot were told by the defendants.

The penalty for manslaughter under the California law is from one to ten years' imprisonment.

Keating

Keating, May 25.--The Saanich Pioneer's Society held a meeting in the Agricultural Hall, Saanichton, the president, Alex. Thompson being in the chair. The meeting was called to make arrangements for the annual picnic and reunion of the old-timers, their families and friends, on June 3. It was planned to hold the picnic this year at the Experimental Farm, and committees were appointed to arrange

Consistent Quality "SALADA" TEA

Can always be relied upon. Use it.

the programme and sports. It will be a basket picnic, and all will eat together, but each party is asked to bring dishes. The event will commence in the afternoon and the committee is as follows: Ladies, Mesdames J. T. Harrison, W. D. Michell, R. E. Nimmo, E. Blackburn, T. Lidgate, F. Turgoose, W. Derrington and G. T. Michell; men, Messrs. Hagen, A. McDonald, W. D. Michell, E. Blackburn, T. Lidgate and G. Michell.

A very interesting and inspiring service was held in the South Saanich United Church on Sunday morning, when in the absence of the pastor, each part of the service was taken by a member of the Young People's Club of the church. Miss Christie MacNab, president of the club, acted as leader, while interesting addresses were given by Miss Lillian Dearing and Albert Hafer. Other members taking part were Miss Ida Heyer, Stuart Stoddart and W. McClure, while special music was rendered by the choir. The church was prettily decorated with flowers, and there was a large congregation in attendance.

RELIEVES CONSTIPATION QUICKLY

Carter's Little Liver Pills move the bowels free from pain and unpleasant after effects. They relieve the system of constipation poisons which cause that dull and aching feeling. Remember they are a doctor's prescription, and can be given to every member of the family. 25c red pkg. **CARTER'S LIVER PILLS**

Mrs. H. Lawrie has returned to her home on Ollie Road, after attending the provincial conference of Women's Institute at Chilliwack. Mrs. Nimmo who also attended the conference, is spending a few days with friends in Vancouver.
